This Stipulation of Settlement, dated February 28, 2023 (together with all Exhibits hereto, the “Stipulation”), is made and entered into by and between: (i) Lead Plaintiff St. Clair County Employees’ Retirement System (“Lead Plaintiff”), on behalf of itself and each Class Member;¹ and (ii) Defendants Tactile Systems Technology, Inc. (“Tactile” or the “Company”), Gerald R. Mattys, Lynn L. Blake, Brent A. Moen, Bryan F. Rishe, and Robert J. Folkes (the “Individual Defendants” and with Lead Plaintiff and Tactile, the “Settling Parties”), by and through their undersigned counsel. This Stipulation is intended by the Settling Parties to fully, finally, and forever resolve, discharge, release, settle, and dismiss with prejudice the Litigation and the Released Claims against the Released Defendant Parties, subject to the approval of the Court and the terms and conditions set forth in this Stipulation.

I. THE LITIGATION

The action is currently pending before the Honorable Nancy E. Brasel, U.S. District Court Judge, and David T. Schultz, U.S. District Court Magistrate Judge, in the United States District Court for the District of Minnesota (the “Court”), under the caption *Mart v. Tactile Systems Technology, Inc., et al.*, Case No. 0:20-cv-02074-NEB-DTS (the “Litigation”). The initial complaint in the Litigation was filed on September 29, 2020. On February 1, 2021, the Court appointed Lead Plaintiff and Lead Counsel.

Lead Plaintiff’s Amended Class Action Complaint (the “Complaint”), filed on April 19, 2021, alleges that Defendants violated §§10(b), 20(a), and 20A of the Securities

¹ All capitalized terms not otherwise defined shall have the meanings ascribed to them in §IV.1 herein.

Exchange Act of 1934 (the “Exchange Act”). More specifically, Lead Plaintiff alleged that, throughout the Class Period (May 7, 2018 through June 8, 2020, inclusive), Defendants engaged in fraudulent schemes and misconduct, and/or made materially false and misleading statements and/or failed to disclose that: (i) to induce sales growth of Tactile’s advanced pneumatic compression devices (“PCDs”), Tactile and/or its employees were engaged in illicit sales and marketing activities involving kickback schemes and the submission of false claims to federal healthcare programs in violation of applicable federal statutes; (ii) Tactile’s revenues were in part the product of unlawful conduct and were thus unsustainable; (iii) while Tactile publicly touted a \$4 plus or \$5 plus billion market opportunity for its advanced PCDs, in truth, the total addressable market was at least three times smaller; (iv) Tactile overstated its revenue from the Department of Veterans Affairs and the Center for Medicare & Medicaid Services; and (v) as a consequence, Defendants’ fraudulent misconduct and false and misleading public statements caused Tactile securities to trade at artificially inflated prices during the Class Period until the true nature of Defendants’ alleged wrongdoing was disclosed, and the prices of Tactile securities fell, causing damages to Lead Plaintiff and other Members of the Class.

Defendants deny all of Lead Plaintiff’s allegations. More specifically, Defendants contend that they did not engage in any fraudulent schemes, acts, or misconduct, and that the sales, marketing, and educational activities described in the Complaint were compliant with applicable law. Defendants further contend that they did not make any materially false or misleading statements, that they disclosed all material information required to be disclosed by the federal securities laws, and that any alleged misstatements or omissions were not

made with the requisite intent or knowledge of wrongdoing. Defendants also contend that any losses allegedly suffered by Members of the Class were not caused by any allegedly false or misleading statements by them, or allegedly fraudulent schemes, acts, or misconduct by them, and/or were caused by intervening events. Defendants continue to believe that the claims asserted against them in the Litigation are without merit.

Defendants filed their motion to dismiss the Complaint on June 18, 2021. Lead Plaintiff filed its opposition on August 18, 2021, and Defendants filed their reply on September 22, 2021. The Court held oral argument on Defendants' motion on October 4, 2021, and on March 31, 2022, the Court issued an Order granting in part, and denying in part, Defendants' motion.

The Settling Parties engaged in extensive document discovery, with Lead Plaintiff and Defendants producing documents in response to requests. The Settling Parties also engaged in extensive meet and confer efforts in their attempts to resolve discovery disputes, and the Settling Parties' respective motions to compel discovery with respect to unresolved issues were pending at the time this Settlement was reached.

On October 18, 2022, the Settling Parties participated in a confidential mediation with Michelle Yoshida, Esq. of Phillips ADR Enterprises, an experienced mediator. The mediation was preceded by the submission and exchange of mediation statements by the Settling Parties. The Settling Parties engaged in good-faith negotiations, but did not reach a settlement. The Settling Parties continued to engage in arm's-length negotiations, and on October 27, 2022, reached an agreement to resolve the Litigation, subject to the negotiation of mutually acceptable terms of a settlement agreement. The Settling Parties ultimately

executed a Memorandum of Understanding. The Settling Parties' agreement-in-principle includes, among other things, that an agreement to settle the Litigation in return for a cash payment of \$5 million for the benefit of the Class, subject to the negotiation of the terms of a Stipulation of Settlement and approval by the Court. This Stipulation (together with the Exhibits hereto) reflects the final and binding agreement, and a compromise of all matters that are in dispute, between the Settling Parties.

II. DEFENDANTS' DENIALS OF LIABILITY

Defendants expressly have denied, and continue to deny, each and all of the claims and contentions alleged by Lead Plaintiff, as well as any and all allegations of fault, liability, wrongdoing, or damages whatsoever arising out of any of the conduct, statements, acts, or omissions that have been alleged, or that could have been alleged, in the Litigation. Defendants continue to believe that the claims asserted against them in the Litigation are without merit. Defendants maintain that they have meritorious defenses to the claims alleged in the Litigation.

As set forth below, neither the Settlement itself nor any of the terms of this Stipulation shall be construed as or deemed to be evidence of or to constitute an admission, concession, or finding of any fault, liability, wrongdoing, or damage whatsoever, or any infirmity in the defenses that Defendants have, or could have, asserted in the Litigation. Defendants are entering into this Stipulation solely to eliminate the burden, expense, and uncertainty of further protracted litigation. Defendants also have taken into account the uncertainty and risks inherent in any litigation, especially in complex cases such as this Litigation. Defendants have determined that it is desirable and beneficial to them that the Litigation be

settled, fully and finally, in the manner and upon the terms and conditions set forth in this Stipulation.

III. LEAD PLAINTIFF'S CLAIMS AND THE BENEFITS OF SETTLEMENT

Lead Plaintiff and Lead Counsel believe that the claims asserted in the Litigation have merit and that the investigation and discovery undertaken to date support the claims asserted therein. However, Lead Plaintiff and Lead Counsel recognize and acknowledge the expense and length of continued proceedings necessary to prosecute the Litigation through trial and through appeals. Lead Plaintiff and Lead Counsel also have taken into account the uncertain outcome and the risk of any litigation, especially in complex actions such as this Litigation, as well as the difficulties and delays inherent in this Litigation. Lead Plaintiff and Lead Counsel also are mindful of the burdens of proof under, and possible defenses to, the securities law violations asserted in the Litigation. Lead Plaintiff and Lead Counsel believe that the Settlement set forth in this Stipulation confers substantial benefits upon the Class. Based on their own investigation and evaluation, Lead Plaintiff and Lead Counsel have determined that the Settlement set forth in this Stipulation is in the best interests of Lead Plaintiff and the Class.

IV. TERMS OF THE STIPULATION AND AGREEMENT OF SETTLEMENT

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and between Lead Plaintiff (on behalf of itself and the Class) and Defendants, by and through their respective undersigned counsel, that, subject to the approval of the Court pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, and in consideration of the benefits

After the Effective Date, Notice and Administration Expenses shall be paid from the Settlement Fund without further approval of Defendants or the Court.

2.11 It shall be Lead Counsel’s responsibility to disseminate the Notice (as defined in ¶3.1 below), Proof of Claim and Release, and Summary Notice (as defined in ¶3.2 below) to potential Class Members in accordance with this Stipulation and as ordered by the Court. The Released Defendant Parties shall have no responsibility for or liability whatsoever with respect to the notice process or the Notice and Administration Expenses, nor shall they have any responsibility or liability whatsoever for any claims with respect thereto, including any claims that may arise from any failure of the notice process. The Escrow Agent, through the Settlement Fund, shall indemnify and hold each of the Released Defendant Parties and their counsel harmless for any acts, omissions, or determinations made in the notice process and any Notice and Administration Expenses.

c. Taxes

2.12 The Settling Parties agree as follows:

(a) The Settling Parties and the Escrow Agent agree to treat the Settlement Fund as being at all times a “qualified settlement fund” within the meaning of Treas. Reg. §1.468B-1, and the regulations promulgated thereunder. The Settling Parties and the Escrow Agent further agree that the Settlement Fund shall be established pursuant to the Court’s subject matter jurisdiction within the meaning of Treas. Reg. §1.468B-1(c)(1). In addition, the Escrow Agent shall timely make such elections as necessary or advisable to carry out the

provisions of this ¶2.12, including the “relation-back election” (as defined in Treas. Reg. §1.468B-1) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Escrow Agent to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

(b) For the purpose of §1.468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the “administrator” (as defined in Treas. Reg. §1.468B-2(k)(3)) shall be the Escrow Agent. The Escrow Agent shall timely and properly file all informational and other federal, state, or local tax returns necessary or advisable with respect to the earnings on the Settlement Fund (including, without limitation, the returns described in Treas. Reg. §1.468B-2(k)). Such returns (as well as the elections described in ¶2.12(a) hereof) shall be consistent with this ¶2.12 and in all events shall reflect that all Taxes (including any estimated Taxes, interest, or penalties) on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in ¶2.12(c) hereof.

(c) All (i) Taxes (including any estimated Taxes, interest, or penalties) arising with respect to the income earned by the Settlement Fund, including any Taxes or tax detriments that may be imposed upon the Released Defendant Parties or their counsel with respect to any income earned by the Settlement Fund for any period after the deposit of the Settlement Amount and during which the Settlement Fund does not qualify as a “qualified settlement fund” for federal or state income tax purposes, and (ii) expenses and costs incurred in connection with the operation and implementation of this ¶2.12 (including,

without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in this ¶2.12 (“Tax Expenses”), shall be paid out of the Settlement Fund; in all events, the Released Defendant Parties and their counsel shall have no liability or responsibility whatsoever for the Taxes or the Tax Expenses. The Escrow Agent, through the Settlement Fund, shall indemnify and hold each of the Released Defendant Parties and their counsel harmless for Taxes and Tax Expenses (including, without limitation, Taxes payable by reason of any such indemnification). Further, Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement Fund and shall be timely paid by the Escrow Agent out of the Settlement Fund without prior order from the Court. The Escrow Agent shall be authorized (notwithstanding anything herein to the contrary) to withhold from distribution to Authorized Claimants any funds necessary to pay any Taxes and Tax Expenses, including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. §1.468B-2(1)(2)). Neither the Released Defendant Parties nor their counsel are responsible nor shall they have any liability for any Taxes or Tax Expenses. The Settling Parties hereto agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of this ¶2.12.

2.13 This is not a claims-made settlement. As of the Effective Date, the Released Defendant Parties, and/or any other Person funding the Settlement on their behalf, shall not have any right to the return of the Settlement Fund or any portion thereof for any reason, and shall not have any liability should Claims made exceed the amount available in the

Settlement Fund for payment of such Claims. The Released Defendant Parties shall not be liable for the loss of any portion of the Settlement Fund, nor have any liability, obligation, or responsibility for the payment of Claims, Taxes and Tax Expenses, legal fees, or any other expenses payable from the Settlement Fund.

d. Termination of Settlement

2.14 In the event that this Stipulation or the Settlement is terminated or canceled pursuant to ¶¶7.3 or 7.5 hereof, or the Court has issued an order that prevents the Effective Date from occurring and such order has become Final, then the Settlement Fund less Notice and Administration Expenses and Taxes or Tax Expenses paid, incurred, or due and owing pursuant to ¶¶2.10 and 2.12 hereof in connection with the Settlement provided for herein, shall be refunded to Defendants by the Claims Administrator and/or the Escrow Agent, pursuant to written instructions from Defendants' Counsel, within seven (7) business days of such cancellation or termination, and in accordance with ¶7.8 herein.

3. Preliminary Approval Order and Settlement Hearing

3.1 Immediately following execution of this Stipulation, Lead Counsel shall submit this Stipulation together with its Exhibits to the Court and shall apply for entry of a Preliminary Approval Order. The proposed settlement notice (the "Notice") shall include the general terms of the Settlement set forth in this Stipulation, the proposed Plan of Allocation, the general terms of the Fee and Expense Application (defined in ¶6.1 below), and the date of the Settlement Hearing.

3.2 Within seven (7) business days after entry of the Preliminary Approval Order, Tactile shall provide or cause to be provided to the Claims Administrator, at no cost to Lead

Plaintiff or the Class, a list in electronic and searchable form, such as Microsoft Excel, containing the names and addresses of registered holders of Tactile publicly traded securities during the Class Period, as set forth in the records of its transfer agent. It shall be solely Lead Counsel's responsibility to disseminate the Notice and the proposed summary notice ("Summary Notice") to the Class in accordance with this Stipulation and as ordered by the Court. Class Members shall have no recourse as to the Released Defendant Parties with respect to any claims they may have that arise from any failure of the notice process.

3.3 Pursuant to the Class Action Fairness Act ("CAFA"), 28 U.S.C. § 1715, no later than ten (10) calendar days after this Stipulation is filed with the Court, the Claims Administrator shall effect service of the CAFA Notice on the appropriate federal and state government officials and shall thereafter notify Plaintiff's Counsel, Defendants' Counsel, and the Court as to completion of such service. The costs of providing the CAFA Notice required by law shall be borne by Tactile's insurers.

3.4 Lead Counsel shall request that, after notice is given and not earlier than ninety (90) calendar days after all appropriate Federal and State officials have been provided the CAFA Notice, the Court hold the Settlement Hearing and approve the Settlement of the Litigation as set forth herein. At or after the Settlement Hearing, Lead Counsel also will request that the Court approve the proposed Plan of Allocation and the Fee and Expense Application (defined in ¶6.1 below).

4. Releases

4.1 The obligations incurred pursuant to this Stipulation are in consideration of: (i) the full and final disposition of the Litigation as against Defendants; (ii) the Releases provided for herein; and (iii) all other terms contained herein.

4.2 Pursuant to the Judgment, without further action by anyone, upon the Effective Date, each and every Releasing Plaintiff Party, including, but not limited to, Lead Plaintiff and each of the other Members of the Class, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever waived, released, relinquished, discharged, and dismissed with prejudice each and every one of the Released Claims against each and every one of the Released Defendant Parties, and shall forever be barred and enjoined from asserting, commencing, instituting, prosecuting, continuing to prosecute, or maintaining in any court of law or equity, arbitration tribunal, or administrative forum any and all of the Released Claims against any and all of the Released Defendant Parties, whether or not such Releasing Plaintiff Party executes and delivers the Proof of Claim and Release or shares in the Net Settlement Fund.

4.3 Any Proof of Claim and Release that is executed by Class Members shall release all Released Claims against the Released Defendant Parties and shall be substantially in the form contained in Exhibit A-2 attached hereto.

4.4 Upon the Effective Date, each of the Released Defendant Parties shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Defendants' Claims against Lead

Plaintiff, the Class and Plaintiff's Counsel. Claims to enforce the terms of this Stipulation are not released.

4.5 Notwithstanding ¶¶4.1-4.4 above, nothing in the Judgment shall release or bar any Releasing Plaintiff Party or Released Defendant Party from bringing any action or claim to enforce the terms of this Stipulation or the Judgment.

5. Administration and Calculation of Claims, Final Awards, and Supervision and Distribution of the Settlement Fund

5.1 The Claims Administrator, subject to such supervision and direction of Lead Counsel and the Court as may be necessary or as circumstances may require, shall administer and calculate the Claims submitted by Class Members and shall oversee distribution of the Net Settlement Fund to Authorized Claimants. The Released Defendant Parties and Defendants' Counsel shall have no responsibility for or interest whatsoever in the administration of the Settlement or the actions or decisions of the Claims Administrator, and shall have no liability whatsoever to the Releasing Plaintiff Parties, including Lead Plaintiff, any other Class Members, or Plaintiff's Counsel, in connection with such administration, including, but not limited to: (i) any act, omission, or determination by Lead Counsel, the Escrow Agent, and/or the Claims Administrator, or any of their respective designees or agents, in connection with the administration of the Settlement or otherwise; (ii) the management or investment of the Settlement Fund or the Net Settlement Fund, or the distribution of the Net Settlement Fund; (iii) the Plan of Allocation; (iv) the determination, administration, calculation, or payment of any Claims asserted against the Settlement Fund; (v) any losses suffered by, or fluctuations in value of, the Settlement Fund; or (vi) the

payment or withholding of any Taxes, expenses, and/or costs incurred with the taxation of the Settlement Fund or the filing of any federal, state, or local returns.

5.2 The Settlement Fund shall be applied as follows:

- (a) to pay all Notice and Administration Expenses;
- (b) to pay the Taxes and Tax Expenses;
- (c) to pay attorneys' fees and expenses of Plaintiff's Counsel, if and to the extent allowed by the Court (the "Fee and Expense Award"); and
- (d) after the Effective Date, to distribute the Net Settlement Fund to Authorized Claimants as provided by this Stipulation, the Plan of Allocation, or the orders of the Court.

5.3 After the Effective Date, and in accordance with the terms of this Stipulation, the Plan of Allocation, or such further approval and further order(s) of the Court as may be necessary or as circumstances may require, the Net Settlement Fund shall be distributed to Authorized Claimants, subject to and in accordance with the provisions of this Stipulation.

5.4 Within ninety (90) calendar days after (a) the mailing of the Notice, or (b) such other time as may be set by the Court, each Class Member who seeks to receive any payment pursuant to the terms of this Stipulation shall be required to submit to the Claims Administrator a completed Proof of Claim and Release, substantially in the form of Exhibit A-2 attached hereto, signed under penalty of perjury and supported by such documents as are specified in the Proof of Claim and Release.

5.5 Except as provided herein or otherwise ordered by the Court, all Class Members who fail to timely submit a valid Proof of Claim and Release shall be forever

barred from receiving any payments pursuant to this Stipulation and the Settlement set forth herein, but will, in all other respects, be subject to and bound by the provisions of this Stipulation, the releases contained herein, and the Judgment, and will forever be barred from bringing any action against the Released Defendant Parties concerning the Released Claims. Notwithstanding the foregoing, Lead Counsel shall have the discretion (but not an obligation) to accept late-submitted Claims for processing by the Claims Administrator so long as the distribution of the Net Settlement Fund to Authorized Claimants is not materially delayed thereby. No Person shall have any claim against Lead Plaintiff, Lead Counsel, the Claims Administrator or any Class Member by reason of the exercise or non-exercise of such discretion.

5.6 Each Proof of Claim and Release shall be submitted to and reviewed by the Claims Administrator, under the supervision of Lead Counsel, who shall determine, in accordance with this Stipulation and the approved Plan of Allocation, the extent, if any, to which each Claim shall be allowed, subject to review by the Court pursuant to ¶5.8 below.

5.7 Proof of Claim and Release forms that do not meet the submission requirements may be rejected. Prior to rejecting a Proof of Claim and Release in whole or in part, the Claims Administrator shall communicate with the Claimant in writing to give the Claimant the chance to remedy any curable deficiencies in the Proof of Claim and Release submitted. The Claims Administrator, under the supervision of Lead Counsel, shall notify, in a timely fashion and in writing, all Claimants whose Claims the Claims Administrator proposes to reject in whole or in part for curable deficiencies, setting forth the reasons therefor, and shall indicate in such notice that the Claimant whose Claim is to be rejected has

the right to a review by the Court if the Claimant so desires and complies with the requirements of ¶5.8 below.

5.8 If any Claimant whose timely Claim has been rejected in whole or in part for a curable deficiency desires to contest such rejection, the Claimant must, within twenty (20) calendar days after the date of mailing of the notice required in ¶5.7 above, or a lesser period of time if the Claim was untimely, serve upon the Claims Administrator a notice and statement of reasons indicating the Claimant's grounds for contesting the rejection along with any supporting documentation, and requesting a review thereof by the Court. If a dispute concerning a Claim cannot be otherwise resolved, Lead Counsel shall thereafter present the Claimant's request for review to the Court.

5.9 Each Class Member who has not been excluded from the Class shall be deemed to have submitted to the jurisdiction of the Court with respect to the Released Claims, including, but not limited to, all releases provided for herein and in the Judgment, and, to the extent applicable, any Claim submitted by such Claimant, which will be subject to investigation and discovery under the Federal Rules of Civil Procedure, provided that such investigation and discovery shall be limited to the Claimant's status as a Class Member and the validity and amount of the Claimant's Claim. In connection with processing the Proofs of Claim and Release, no discovery shall be allowed on the merits of the Litigation or the Settlement. All proceedings with respect to the administration, processing and determination of Claims and the determination of all controversies relating thereto, including disputed questions of law and fact with respect to the validity of Claims, shall be subject to the jurisdiction of the Court, but shall not, in any event, delay or affect the finality of the

Judgment. All Class Members, Claimants, and parties to this Settlement expressly waive trial by jury (to the extent any such right may exist) and any right of appeal or review with respect to such determinations.

5.10 Following the Effective Date, the Net Settlement Fund shall be distributed to the Authorized Claimants substantially in accordance with the Plan of Allocation set forth in the Notice and approved by the Court. No distributions will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00. If there is any balance remaining in the Net Settlement Fund after a reasonable period of time after the date of the distribution of the Net Settlement Fund, the Claims Administrator at Lead Counsel's direction shall, if feasible, redistribute such balance among Authorized Claimants who negotiated the checks sent in the initial distribution and who would receive a minimum of \$10.00. These redistributions shall be repeated until the balance remaining in the Net Settlement Fund is *de minimis*. Any *de minimis* balance that still remains in the Net Settlement Fund after such reallocation(s) and payments, which is not feasible or economical to reallocate, shall be donated to an appropriate non-sectarian, non-profit charitable organization(s) unaffiliated with any party or their counsel serving the public interest selected by Lead Counsel.

5.11 The Released Defendant Parties shall have no responsibility for, interest in, or liability whatsoever with respect to the distribution of the Net Settlement Fund, the Plan of Allocation, the determination, administration, or calculation of Claims, the payment or withholding of Taxes or Tax Expenses, or any losses incurred in connection with any of the foregoing. No Person shall have any claim of any kind against the Released Defendant

Parties with respect to the matters set forth in ¶¶5.1-5.13 hereof; and the Releasing Plaintiff Parties release the Released Defendant Parties from any and all liability and claims arising from or with respect to the administration, investment, or distribution of the Settlement Fund.

5.12 No Person shall have any claim against the Released Defendant Parties, Lead Plaintiff, or the Claims Administrator, or any other Person designated by Lead Counsel based on determinations or distributions made in accordance with this Stipulation and the Settlement contained herein, the Plan of Allocation, or further order(s) of the Court.

5.13 It is understood and agreed by the Settling Parties that any proposed Plan of Allocation of the Net Settlement Fund, including, but not limited to, any adjustments to an Authorized Claimant's Claim set forth therein, is not a part of this Stipulation and is to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement set forth in this Stipulation, and any order or proceeding relating to the Plan of Allocation shall not operate to terminate or cancel this Stipulation or affect the finality of the Court's Judgment approving this Stipulation and the Settlement set forth herein, or any other orders entered pursuant to the Stipulation.

6. Plaintiff's Counsel's Attorneys' Fees and Expenses

6.1 Lead Counsel may submit an application or applications (the "Fee and Expense Application"), on behalf of all Plaintiff's Counsel, for distribution from the Settlement Fund for: (a) an award of attorneys' fees; plus (b) expenses or charges in connection with prosecuting the Litigation; plus (c) any interest earned on such attorneys' fees and expenses at the same rate and for the same periods as earned by the Settlement Fund (until paid) as

may be awarded by the Court. Lead Counsel reserves the right to make additional applications for fees and expenses incurred.

6.2 The amount of attorneys' fees and expenses awarded by the Court is within the sole discretion of the Court. Any fees and expenses, as awarded by the Court, shall be paid to Lead Counsel from the Settlement Fund, as ordered, immediately after the Court executes the Judgment and an order awarding such fees and expenses, notwithstanding the existence of any timely filed objections thereto or to the Settlement, or potential for appeal therefrom, or collateral attack on the Settlement or any part thereof. Lead Counsel may thereafter allocate the attorneys' fees among Plaintiff's Counsel in a manner in which it in good faith believes reflects the contribution of such counsel to the initiation, prosecution, and the resolution of the Litigation.

6.3 In the event that the Court issues an order that prevents the Effective Date from occurring, or the Judgment or the order making the Fee and Expense Award is reversed or modified, or this Stipulation is canceled or terminated for any other reason, and such reversal, modification, cancellation or termination becomes Final and not subject to review, and in the event that the Fee and Expense Award has been paid to any extent, then Lead Counsel, including its partners and/or shareholders, and such other Plaintiff's Counsel, including their law firms, partners, and/or shareholders, and Lead Plaintiff who have received any portion of the Fee and Expense Award shall, within five (5) business days from receiving notice from Defendants' Counsel or from a court of appropriate jurisdiction, refund to the Settlement Fund all such fees and expenses previously paid to them from the Settlement Fund plus interest thereon at the same rate as earned by the Settlement Fund in an

amount consistent with such reversal, modification, cancellation or termination, and such fees and expenses shall be returned to the Settlement Fund in accordance with ¶6.4. Any refunds required pursuant to this ¶6.3 shall be the several obligation of Plaintiff's Counsel, including their respective partners and/or members, to make appropriate refunds or repayments to the Settlement Fund. Plaintiff's Counsel, as a condition of receiving such fees and expenses, on behalf of themselves and each partner and/or shareholder of them, agrees that (a) such Person and its partners, shareholders, and/or members are subject to the jurisdiction of the Court for the purpose of enforcing the provisions of this paragraph, and (b) are severally liable for the full amount of all fees, expenses, and/or costs paid to them from the Settlement Fund together with the interest paid thereon. Without limitation, Plaintiff's Counsel and its respective partners, shareholders, and/or members and Lead Plaintiff agree that the Court may, upon application by Defendants and notice to Plaintiff's Counsel, summarily issue orders, including, but not limited to, judgments and attachment orders, and may make appropriate findings of or sanctions for contempt, should such law firms or their partners, shareholders, or members fail to timely repay fees and expenses pursuant to this paragraph.

6.4 The procedure for and the allowance or disallowance by the Court of any applications by Lead Counsel for attorneys' fees and expenses to be paid out of the Settlement Fund is not part of the Settlement set forth in this Stipulation, and is to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement set forth in this Stipulation, and shall have no effect on the terms of the Stipulation or on the validity or enforceability of this

Settlement. The approval of the Settlement, and it becoming Final, shall not be contingent on the award of attorneys' fees and expenses, any award to Plaintiff's Counsel, nor any appeals from such awards. Any order or proceeding relating to the Fee and Expense Application, or any appeal from any order relating thereto or reversal or modification thereof, shall not operate to terminate or cancel this Stipulation, or affect or delay the finality of the Judgment approving this Stipulation and the Settlement of the Litigation set forth therein, or any other orders entered pursuant to the Stipulation of Settlement.

6.5 Any fees and/or expenses awarded by the Court shall be paid solely from the Settlement Fund. With the sole exception of Defendants' obligation to pay or cause the Settlement Amount to be paid into the Escrow Account as provided for in ¶2.2, the Released Defendant Parties shall have no responsibility for, and no liability whatsoever with respect to, any payment of attorneys' fees and/or expenses (including Taxes) to Plaintiff's Counsel, or any other counsel or Person who receives payment from the Settlement Fund.

6.6 The Released Defendant Parties shall have no responsibility for, and no liability whatsoever with respect to, the allocation among Plaintiff's Counsel and/or any other Person who may assert some claim thereto, of any Fee and Expense Award that the Court may make in the Litigation.

6.7 The Released Defendant Parties shall have no responsibility for, and no liability whatsoever with respect to, any attorneys' fees, costs, or expenses (including Taxes) incurred by or on behalf of any Class Member, whether or not paid from the Escrow Account.

7. Conditions of Settlement, Effect of Disapproval, Cancellation, or Termination

7.1 The Effective Date of the Settlement shall be conditioned on the occurrence of all of the following events:

(a) the Court has entered the Preliminary Approval Order, or an order substantially in the form of Exhibit A attached hereto or as may be subsequently agreed to by the Settling Parties per ¶7.4 below, directing notice to the Class, as required by ¶3.1 hereof;

(b) the Settlement Amount has been deposited into the Escrow Account by Defendants or their insurers;

(c) neither Settling Party has exercised its option to terminate the Stipulation pursuant to ¶¶7.3 or 7.5 hereof;

(d) the Court has entered the Judgment, or a judgment substantially in the form of Exhibit B attached hereto or as may be subsequently agreed to by the Settling Parties per ¶7.4 below;

(e) the Judgment has become Final, as defined in ¶1.15 hereof; and

(f) the Litigation has been dismissed with prejudice.

7.2 Upon the Effective Date, any and all remaining interest or right of the Defendants, and any other Persons who contributed to the Settlement Fund, in or to the Settlement Fund, if any, shall be absolutely and forever extinguished. The Released Defendant Parties shall not have any liability, obligation, or responsibility for the payment of Claims, any Fee and Expense Award, Notice and Administration Expenses, Taxes and Tax Expenses, legal fees, or any other expenses payable from the Settlement Fund.

7.3 As set forth in a separate agreement (the “Supplemental Agreement”) executed between Lead Plaintiff and Defendants, by and through their counsel, Defendants may terminate the Settlement and render it null and void in the event that Members of the Class who collectively purchased or otherwise acquired more than a certain amount of Tactile publicly traded securities during the Class Period exclude themselves from the Class. The Settling Parties agree to maintain the confidentiality of the Supplemental Agreement, which is being executed concurrently herewith. The Supplemental Agreement shall not be filed with the Court and its terms shall not be disclosed in any other manner (other than the statements herein and in the Notice, to the extent necessary, or as otherwise provided in the Supplemental Agreement), unless and until the Court requires the Settling Parties to file the Supplemental Agreement or disclose its terms. If submission of the Supplemental Agreement is ordered by the Court or is necessary to resolve a dispute between Lead Plaintiff and Defendants, the Settling Parties will seek to have the Supplemental Agreement submitted to the Court *in camera* or filed under seal, but such disclosure shall be carried out to the fullest extent possible in accordance with the practices of the Court so as to preserve the confidentiality of the Supplemental Agreement, particularly the threshold aggregate number of shares.

7.4 In the event the Court declines to enter the Preliminary Approval Order in substantially the form of Exhibit A attached hereto, or the Judgment in substantially the form of Exhibit B attached hereto, the Settling Parties agree to work in good faith to make appropriate modifications, as may be necessary, to the Stipulation, Notice, Summary Notice, Proof of Claim and Release, and Judgment.

7.5 Each of Lead Plaintiff and Defendants shall have the right to terminate the Settlement and this Stipulation by providing written notice of their election to do so (“Termination Notice”) to all other parties hereto within fourteen (14) calendar days of: (a) entry of a Court order declining to enter the Preliminary Approval Order in any material respect; (b) entry of a Court order refusing to approve this Stipulation in any material respect; (c) entry of a Court order refusing to approve the Settlement; (d) entry of a Court order refusing to enter the Judgment in any material respect; (e) entry of a Court order refusing to dismiss the Litigation with prejudice; (f) entry of an order by which the Final Judgment is modified or reversed in any material respect by any appeal, review, or collateral attack; or (g) failure on the part of any other Settling Party to abide, in any material respect, with the terms of this Stipulation. Notwithstanding anything in this ¶7.5, the Settling Parties may mutually agree to proceed with the Settlement notwithstanding the occurrence of any of the events identified in this Paragraph. For avoidance of doubt, no order of the Court or modification or reversal on appeal of any order of the Court concerning the Plan of Allocation or the amount of any attorneys’ fees, expenses, and interest awarded by the Court to Lead Counsel shall operate to terminate or cancel this Stipulation or constitute grounds for cancellation or termination of this Stipulation.

7.6 Other than as provided in ¶¶2.3, 7.3 and 7.5, no Party shall have the right to terminate the Stipulation for any reason.

7.7 Unless otherwise ordered by the Court, in the event this Stipulation, or the Settlement is terminated, or canceled, or the Court has issued an order that prevents the Effective Date from occurring and such order has become final, within seven (7) business

days after the occurrence of such event, the Settlement Fund (including accrued interest), less Taxes, Tax Expenses and Notice and Administration Expenses which have either been disbursed pursuant to ¶¶2.10 and/or 2.12 hereof, or are chargeable to the Settlement Fund pursuant to ¶¶2.10 and/or 2.12 hereof, shall be refunded by the Escrow Agent to the Persons who contributed to the Settlement Fund pursuant to written instructions from Defendants' Counsel. The Escrow Agent or its designee shall apply for any tax refund owed on the Settlement Amount and pay the proceeds, after deduction of any fees or expenses incurred in connection with such application(s) for refund to the same Persons pursuant to written instructions from Defendants' Counsel.

7.8 In the event that this Stipulation or the Settlement is terminated or canceled, or the Court has issued an order that prevents the Effective Date from occurring and such order has become final, the Settling Parties shall be restored to their respective positions in the Litigation as of November 18, 2022. In such event, the terms and provisions of the Stipulation with the exception of ¶¶2.7-2.10, 2.12-2.14, 6.3, 7.7, 7.9, 8.1 and 9.6 hereof, shall have no further force and effect with respect to the Settling Parties and shall not be used in this Litigation or in any other proceeding for any purpose, and any judgment or order entered by the Court in accordance with the terms of this Stipulation shall be treated as vacated, *nunc pro tunc*. No order of the Court, or modification or reversal on appeal of any order of the Court concerning the Plan of Allocation or any Fee and Expense Award, shall operate to terminate or cancel this Stipulation or constitute grounds for cancellation or termination of this Stipulation.

7.9 If the Effective Date does not occur, or if this Stipulation is terminated pursuant to its terms, neither Lead Plaintiff nor Plaintiff's Counsel shall have any obligation to repay any amounts disbursed pursuant to ¶¶2.10 or 2.12. In addition, any amounts already incurred pursuant to ¶¶2.10 or 2.12 hereof at the time of such termination or cancellation but which have not been paid, shall be paid by the Escrow Agent in accordance with the terms of this Stipulation prior to the balance being refunded in accordance with ¶¶2.14 and 7.7 hereof.

8. No Admission of Liability

8.1 Neither the Settlement, this Stipulation (whether or not consummated), including the Exhibits hereto and the Plan of Allocation contained therein (or any other plan of allocation that may be approved by the Court), the negotiations leading to the execution of this Stipulation and the Settlement, nor any proceedings, communications, drafts, documents or agreements taken pursuant to or in connection with this Stipulation, and/or approval of the Settlement (including any arguments proffered in connection therewith):

(a) shall be offered or received against Defendants as evidence of or construed as or deemed to be evidence of any presumption, concession, or admission by Defendants of the truth of any allegations by Lead Plaintiff or any Member of the Class or the validity of any claim that has been or could have been asserted in the Litigation, or the deficiency of any defense that has been or could have been asserted in the Litigation or in any other litigation, including, but not limited to, litigation of the Released Claims, or of any liability, negligence, fault, or wrongdoing of any kind of Defendants or in any way referred to for any other reason as against Defendants, in any civil, criminal, or administrative action

or proceeding, other than such proceedings as may be necessary to effectuate the provisions of this Stipulation;

(b) shall be offered or received against or to the prejudice of Defendants as evidence of a presumption, concession, or admission of liability for any fault, misrepresentation, or omission with respect to any statement or written document approved or made by Defendants, or against Lead Plaintiff or any Member of the Class as evidence of any infirmity in the claims of Lead Plaintiff and the Class;

(c) shall be offered or received against Defendants as evidence of a presumption, concession, or admission of any liability, negligence, fault, or wrongdoing or in any way referred to for any other reason as against any of the parties to this Stipulation, in any other civil, criminal, or administrative action or proceeding; provided, however, that if this Stipulation is approved by the Court, Released Defendant Parties may refer to it to effectuate the releases granted them hereunder; and

(d) shall be construed against Defendants, Lead Plaintiff, or the Class as evidence of a presumption, concession or admission that the consideration to be given hereunder represents the amount which could be or would have been recovered after trial or in any proceeding other than this Settlement.

9. Miscellaneous Provisions

9.1 The Settling Parties: (a) acknowledge that it is their intent to consummate this Settlement; and (b) agree to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Stipulation and to exercise their best efforts,

including taking all reasonable steps necessary, to obtain the entry of the Judgment and to accomplish the foregoing terms and conditions of this Stipulation.

9.2 The Settling Parties intend this Settlement to be a final and complete resolution of all disputes between the Class and the Defendants with respect to the Litigation and the Released Claims. The Settlement shall not be deemed an admission by any Settling Party as to the merits of any claim or defense. The Judgment will contain a finding that, during the course of the Litigation, the Settling Parties and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11. The Settling Parties agree that the Settlement Amount and the other terms of the Settlement were negotiated in good faith by the Settling Parties, and reflect a settlement that was reached voluntarily after consultation with competent legal counsel.

9.3 The Settling Parties and their counsel agree not to assert in any statement made to any media representative (whether or not for attribution) that the Litigation was commenced or prosecuted by Lead Plaintiff or defended by Defendants in bad faith or without a reasonable basis, nor will they deny that the Litigation was commenced and prosecuted and defended in good faith and is being settled voluntarily after consultation with competent legal counsel. In all events, the Settling Parties and their counsel shall not make any accusations of wrongful or actionable conduct by any party concerning the prosecution, defenses and resolution of the Litigation, and shall not otherwise suggest that the Settlement constitutes an admission of any claim or defense alleged. The Settling Parties reserve their right to rebut, in a manner that such party determines to be appropriate, any contention made

in any public forum regarding the Litigation, including that the Litigation was brought or defended in bad faith or without a reasonable basis.

9.4 The Released Defendant Parties may file this Stipulation and/or the Judgment from this action in any other action in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, statute of limitations, statute of repose, good faith settlement, judgment bar or reduction, or any theory of claim preclusion or issue preclusion or similar defense or counterclaim, or to effectuate any liability protection under any applicable insurance policy. The Settling Parties may file this Stipulation and/or the Judgment in any action that may be brought to enforce the terms of this Stipulation and/or the Judgment. All Settling Parties submit to the jurisdiction of the Court for purposes of implementing and enforcing the Settlement.

9.5 All agreements made and orders entered during the course of the Litigation relating to the confidentiality of information shall survive this Stipulation.

9.6 All of the Exhibits to this Stipulation are material and integral parts hereof and are fully incorporated herein by this reference.

9.7 This Stipulation, along with its Exhibits, may be amended or modified only by a written instrument signed by or on behalf of all Settling Parties or their respective successors-in-interest.

9.8 This Stipulation and the Exhibits attached hereto constitute the entire agreement among the Settling Parties hereto as to the subject matter hereof and supersede any prior or contemporaneous written or oral agreements or understandings between the Settling Parties. Each Settling Party expressly disclaims any reliance on any representations,

warranties, or inducements concerning this Stipulation or its Exhibits, other than the representations, warranties, and covenants contained and memorialized in such documents.

9.9 Except as otherwise provided herein, or otherwise agreed to in writing by the parties hereto, each party shall bear his, her, or its own fees and costs.

9.10 Lead Counsel, on behalf of the Class, is expressly authorized by Lead Plaintiff to take all appropriate action required or permitted to be taken by the Class pursuant to this Stipulation to effectuate its terms and also is expressly authorized to enter into any modifications or amendments to this Stipulation on behalf of the Class which it deems appropriate.

9.11 Each counsel or other Person executing this Stipulation, its Exhibits, or any related Settlement document, on behalf of any party hereto hereby warrants that such Person has the full authority to do so, and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Stipulation to effectuate its terms.

9.12 This Stipulation may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of executed counterparts shall be filed with the Court. Signatures sent by facsimile or pdf'd via e-mail shall be deemed originals.

9.13 All notices, requests, demands, claims, and other communications hereunder shall be in writing and shall be deemed duly given (i) when delivered personally to the recipient, (ii) one (1) business day after being sent to the recipient by reputable overnight courier service (charges prepaid), or (iii) seven (7) business days after being mailed to the

recipient by certified or registered mail, return receipt requested and postage prepaid, and addressed to the intended recipient as set forth below:

CLASS ACTION
[PROPOSED] ORDER GRANTING
PRELIMINARY APPROVAL
PURSUANT TO FED. R. CIV. P. 23(e)(1)
AND PERMITTING NOTICE TO THE
CLASS
EXHIBIT A

WHEREAS, the above-captioned action is pending before this Court (the “Litigation”);

WHEREAS, Lead Plaintiff, having made a motion pursuant to Federal Rule of Civil Procedure 23(e) for an order preliminarily approving the Settlement of this Litigation, in accordance with a Stipulation of Settlement, dated February 28, 2023 (the “Stipulation”), which, together with the Exhibits annexed thereto, sets forth the terms and conditions for a proposed Settlement of the Litigation between the Settling Parties and for dismissal of the Litigation with prejudice upon, and subject to, the terms and conditions set forth therein; and the Court having read and considered: (1) the motion for preliminary approval of the Settlement (ECF 144), and the papers filed and arguments made in connection therewith, and (2) the Stipulation and the Exhibits annexed thereto;

WHEREAS, the Settling Parties having consented to the entry of this Order;

WHEREAS, unless otherwise defined, all terms used herein have the same meanings as set forth in the Stipulation;

WHEREAS, the Court preliminarily finds that:

(a) the Settlement resulted from informed, extensive arm’s-length negotiations between experienced counsel, including mediation under the direction of an experienced mediator, Michelle Yoshida, Esq. of Phillips ADR Enterprises;

(b) the proposed Settlement eliminates the risks to the Settling Parties of continued litigation;

(c) the Settlement does not provide undue preferential treatment to Lead Plaintiff or to segments of the Class;

(d) the Settlement does not provide excessive compensation to counsel for Lead Plaintiff; and

(e) the Settlement appears to fall within the range of possible approval and is therefore sufficiently fair, reasonable, and adequate to warrant providing notice of the Settlement to the Class.

NOW, THEREFORE, IT IS HEREBY ORDERED:

1. The Court hereby preliminarily approves the Settlement set forth in the Stipulation, subject to further consideration at the Settlement Hearing described below.

2. Pursuant to Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure, and for purposes of this Settlement only, the Litigation is hereby certified as a class action on behalf of all Persons who purchased or otherwise acquired Tactile publicly traded securities during the period from May 7, 2018 through June 8, 2020, inclusive, and who were damaged thereby. Excluded from the Class are: (i) Defendants; (ii) members of the immediate family of each Defendant; (iii) any Person who was an officer or director of Tactile during the Class Period; (iv) any entity in which any Defendant has or had a controlling interest; (v) any corporate parent and/or affiliate of Tactile; and (vi) the legal representatives, heirs, successors-in-interest, or assigns of any such excluded Person. Also excluded from the Class is any Person who would otherwise be a Member of the Class but who validly and timely requests exclusion in accordance with the requirements set by the Court.

3. The Court finds, for the purpose of the Settlement only, that the prerequisites for a class action under Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure have been satisfied in that: (a) the number of Class Members is so numerous that joinder of all

members is impracticable; (b) there are questions of law and fact common to the Class; (c) the claims of Lead Plaintiff are typical of the claims of the Class it seeks to represent; (d) Lead Plaintiff and Lead Counsel have and will fairly and adequately represent the interests of the Class; (e) the questions of law and fact common to Members of the Class predominate over any questions affecting only individual Class Members; and (f) a class action is superior to other methods for the fair and efficient adjudication of the Litigation.

4. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, Lead Plaintiff St. Clair County Employees' Retirement System is certified as Class Representative and Lead Counsel Robbins Geller Rudman & Dowd LLP is preliminarily certified as Class Counsel.

5. The Court preliminarily finds that the proposed Settlement should be approved as: (i) it is the result of serious, extensive arm's-length and non-collusive negotiations; (ii) falling within a range of reasonableness warranting final approval; (iii) having no obvious deficiencies; and (iv) warranting notice of the proposed Settlement to the Class Members and further consideration of the Settlement at the fairness hearing described below.

6. A hearing shall be held before this Court on _____, 2023, at _____m. (the "Settlement Hearing"), at the United States District Court for the District of Minnesota, Diana E. Murphy United States Courthouse, 300 South Fourth Street, Minneapolis, MN 55415, to: (a) determine whether the proposed Settlement of the Litigation on the terms and conditions provided for in the Stipulation is fair, reasonable and adequate to the Class and should be approved by the Court; (b) determine whether a Judgment as provided in ¶1.17 of the Stipulation should be entered; (c) determine whether the proposed Plan of Allocation should be approved; (d) determine the amount of attorneys' fees, costs, charges, and

expenses that should be awarded to Lead Counsel; (e) hear any objections by Class Members to the Settlement or Plan of Allocation, or to the award of attorneys' fees and expenses; and (f) consider such other matters the Court deems appropriate. The Court may adjourn or change the date and time of the Settlement Hearing without further notice to the Class, and may approve the proposed Settlement with such modifications as the Settling Parties may agree to, if appropriate, without further notice to the Class.

7. The Court approves the form, substance, and requirements of the Notice of Pendency and Proposed Settlement of Class Action ("Notice") and Proof of Claim and Release, substantially in the forms annexed hereto as Exhibits 1 and 2, respectively.

8. The Court approves the form of the Summary Notice of Proposed Settlement of Class Action ("Summary Notice"), substantially in the form annexed hereto as Exhibit 3.

9. The firm of Gilardi & Co. LLC ("Claims Administrator") is hereby appointed to supervise and administer the notice procedure as well as the processing of Claims as more fully set forth below.

10. Tactile shall provide or cause to be provided to the Claims Administrator, at no cost to Lead Plaintiff or the Class, within seven (7) business days after the Court signs this Order, a list in electronic searchable form, such as Excel, containing the names and addresses of registered holders of Tactile publicly traded securities during the Class Period, as set forth in the records of its transfer agent. This information will be kept confidential and not used for any purpose other than to provide the notice contemplated by this Order.

11. Not later than _____, 2023 (the "Notice Date") (a date twenty-one (21) calendar days after entry by the Court of this Order), the Claims Administrator shall cause a

copy of the Notice and Proof of Claim and Release, substantially in the forms annexed hereto as Exhibits 1 and 2, to be mailed by First-Class Mail to all Class Members who can be identified with reasonable effort and to be posted on the case-designated website, www.TactileSecuritiesSettlement.com. For all Notices returned as undeliverable, the Claims Administrator shall use its best efforts to locate updated addresses.

12. Not later than _____, 2023 (a date seven (7) calendar days after the Notice Date), the Claims Administrator shall cause the Summary Notice to be published once in *The Wall Street Journal*, and once over a national newswire service.

13. At least seven (7) calendar days prior to the Settlement Hearing, Lead Counsel shall serve on Defendants' Counsel and file with the Court proof, by affidavit or declaration, of such mailing and publishing.

14. The Claims Administrator shall use reasonable efforts to give notice to nominee purchasers such as brokerage firms and other persons or entities who purchased or acquired Tactile publicly traded securities during the Class Period (between May 7, 2018 and June 8, 2020, inclusive) as record owners but not as beneficial owners. Such nominee purchasers are directed, within seven (7) calendar days of their receipt of the Notice, to either forward copies of the Notice and Proof of Claim and Release to their beneficial owners or to provide the Claims Administrator with lists of the names and addresses of the beneficial owners, and the Claims Administrator is ordered to send the Notice and Proof of Claim and Release promptly to such identified beneficial owners. Nominee purchasers who elect to send the Notice and Proof of Claim and Release to their beneficial owners shall send a statement to the Claims Administrator confirming that the mailing was made as directed.

Additional copies of the Notice shall be made available to any record holder requesting such for the purpose of distribution to beneficial owners, and such record holders shall be reimbursed from the Settlement Fund, upon receipt by the Claims Administrator of proper documentation, for the reasonable expense of sending the Notice and Proof of Claim and Release to beneficial owners. Any disputes with respect to the reasonableness or documentation of expenses incurred shall be subject to review by the Court.

15. The Court finds that the form and content of the notice program described herein and the methods set forth herein for notifying the Class of the Settlement and its terms and conditions, the Fee and Expense Application, and the Plan of Allocation meet the requirements of Rule 23 of the Federal Rules of Civil Procedure, the Private Securities Litigation Reform Act of 1995, and due process, constitute the best notice practicable under the circumstances, and shall constitute due and sufficient notice to all Persons entitled thereto.

16. Other than the fees, costs, and expenses of providing notice pursuant to the Class Action Fairness Act, 28 U.S.C. §1715, which fees, costs, and expenses shall be borne by Tactile's insurers, all fees, costs, and expenses incurred in identifying and notifying Members of the Class shall be paid from the Settlement Fund and in no event shall any of the Released Defendant Parties bear any responsibility or liability for such fees, costs, or expenses. Notwithstanding the foregoing, Tactile shall be responsible for the costs and expenses of providing to Lead Counsel and/or the Claims Administrator reasonably available transfer records for purposes of mailing notice to the Class pursuant to the Stipulation.

17. All Class Members shall be bound by all determinations and judgments in the Litigation concerning the Settlement (including, but not limited to, the releases provided for therein) whether favorable or unfavorable to the Class, regardless of whether such Persons seek or obtain by any means (including, without limitation, by submitting a Proof of Claim and Release or any similar document) any distribution from the Settlement Fund or the Net Settlement Fund.

18. Class Members who wish to participate in the Settlement shall complete and submit a Proof of Claim and Release in accordance with the instructions contained therein. Unless the Court orders otherwise, all Proofs of Claim and Release must be postmarked or submitted electronically no later than _____, 2023 (a date ninety (90) calendar days from the Notice Date). Any Class Member who does not submit a Proof of Claim and Release within the time provided shall be barred from sharing in the distribution of the proceeds of the Net Settlement Fund, unless otherwise ordered by the Court, but shall in all other respects be bound by the terms of the Stipulation and by any final judgment entered by the Court. Notwithstanding the foregoing, Lead Counsel shall have the discretion (but not the obligation) to accept late-submitted Claims for processing by the Claims Administrator so long as distribution of the Net Settlement Fund is not materially delayed thereby. No person shall have any claim against Lead Plaintiff, Plaintiff's Counsel, or the Claims Administrator by reason of the decision to exercise such discretion whether to accept late-submitted Claims.

19. Any Member of the Class may enter an appearance in the Litigation, at his, her, or its own expense, individually or through counsel of his, her, or its own choice. If any

Member of the Class does not enter an appearance, they will be represented by Lead Counsel.

20. Any Member of the Class who wishes to exclude himself, herself, or itself from the Class must request exclusion in writing within the time and in the manner set forth in the Notice. Any such Person must submit to the Claims Administrator a signed request for exclusion (“Request for Exclusion”) such that it is postmarked no later than _____, 2023 (a date that is twenty-one (21) calendar days prior to the Settlement Hearing). A Request for Exclusion must provide: (i) the name, address, and telephone number of the Person requesting exclusion; (ii) a list identifying the number of shares of Tactile publicly traded securities purchased or acquired during the Class Period and the date of each purchase or acquisition; and (iii) a statement that the Person wishes to be excluded from the Class. All Persons who submit valid and timely Requests for Exclusion in the manner set forth in this paragraph and the Notice shall have no rights under the Settlement, shall not share in the distribution of the Net Settlement Fund, and shall not be bound by the Settlement or any final judgment. Unless otherwise ordered by the Court, any Person who purchased or acquired Tactile publicly traded securities during the Class Period who fails to timely request exclusion from the Class in compliance with this paragraph shall be deemed to have waived his, her, or its right to be excluded from the Class and shall be barred from requesting exclusion from the Class.

21. Lead Counsel or the Claims Administrator shall cause to be provided to Defendants’ Counsel copies of all Requests for Exclusion, and any written revocation of

Requests for Exclusion, promptly upon receipt and as expeditiously as possible, but in no event, later than fourteen (14) calendar days before the Settlement Hearing.

22. Any Member of the Class who or which does not request exclusion from the Class may appear at the Settlement Hearing and object if he, she, or it has any reason why the proposed Settlement of the Litigation should not be approved as fair, reasonable and adequate, why a judgment should not be entered thereon, why the Plan of Allocation should not be approved, or why attorneys' fees, together with costs, charges and expenses should not be awarded to Lead Counsel; provided that any such Class Member files objections and copies of any papers and briefs with the Clerk of the United States District Court for the District of Minnesota and mails copies thereof by first-class mail to Robbins Geller Rudman & Dowd LLP, Ellen Gusikoff Stewart, 655 West Broadway, Suite 1900, San Diego, CA 92101; and Faegre Drinker Biddle & Reath LLP, Matthew Kilby, 2200 Wells Fargo Center, 90 South Seventh Street, Minneapolis, MN 55402, no later than _____, 2023 (a date that is twenty-one (21) calendar days prior to the Settlement Hearing). Any Member of the Class who does not make his, her, or its objection in the manner provided shall be deemed to have waived such objection and shall forever be foreclosed from making any objection to the fairness, reasonableness, or adequacy of the proposed Settlement as incorporated in the Stipulation, to the Plan of Allocation, to the award of fees, costs, charges, and expenses to Lead Counsel, unless otherwise ordered by the Court. Attendance at the Settlement Hearing is not necessary. However, Persons wishing to be heard orally in opposition to the approval of the Settlement, the Plan of Allocation, and/or the application for an award of fees, costs, charges and expenses are required to indicate in their written objection their intention to

appear at the hearing and to include in their written objections the identity of any witnesses they may call to testify and copies of any exhibits they intend to introduce into evidence at the Settlement Hearing. Class Members do not need to appear at the Settlement Hearing or take any other action to indicate their approval.

23. Any objections, filings, and other submissions by an objecting Class Member must: (i) state the name, address, and telephone number of the Person objecting and must be signed by the objector; (ii) contain a statement of the Class Member's objection or objections, and the specific reasons for each objection, including any legal and evidentiary support the Class Member wishes to bring to the Court's attention and whether the objections apply only to the objector, a specific subset of the Class, or to the entire Class; and (iii) include documents sufficient to prove membership in the Class, including the objecting Class Member's purchases, acquisitions and/or sales of Tactile publicly traded securities during the Class Period, the dates, the number of shares purchased, acquired, and/or sold, and the price paid or received for such purchase, acquisition, or sale.

24. Any Class Member who does not object to the Settlement, the Plan of Allocation, or the application for an award of attorneys' fees, costs, charges, and expenses in the manner prescribed herein and in the Notice shall be deemed to have waived such objection, and shall forever be foreclosed from making any objection to the fairness, adequacy, or reasonableness of the proposed Settlement, this Order and the Judgment to be entered approving the Settlement, the Plan of Allocation, and/or the application by Lead Counsel for an award of attorneys' fees together with costs, charges, and expenses.

25. All funds held by the Escrow Agent shall be deemed and considered to be in *custodia legis*, and shall remain subject to the jurisdiction of the Court until such time as such funds shall be distributed pursuant to the Stipulation and/or further order(s) of the Court.

26. All papers in support of the Settlement, Plan of Allocation, and any application by Lead Counsel for an award of attorneys' fees, costs, charges, and expenses shall be filed and served no later than _____, 2023 (a date that is thirty-five (35) calendar days prior to the Settlement Hearing), and any reply papers shall be filed and served no later than _____, 2023 (a date that is seven (7) calendar days prior to the Settlement Hearing).

27. The Released Defendant Parties shall have no responsibility or liability for the Plan of Allocation or any application for attorneys' fees, costs, charges or expenses submitted by Lead Counsel, and such matters will be considered by the Court separately from the fairness, reasonableness, and adequacy of the Settlement.

28. At or after the Settlement Hearing, the Court shall determine whether the Plan of Allocation proposed by Lead Counsel, and any application for attorneys' fees, costs, charges and expenses, should be approved. The Court reserves the right to enter the Judgment finally approving the Settlement regardless of whether it has approved the Plan or Allocation or awarded attorneys' fees and/or costs, charges, and expenses.

29. All reasonable expenses incurred in identifying and notifying Class Members as well as administering the Settlement Fund shall be paid as set forth in the Stipulation. In the event the Court does not approve the Settlement, or the Settlement otherwise fails to become effective, neither Lead Counsel nor the Claims Administrator shall have any

obligation to repay any amounts actually and properly incurred or disbursed pursuant to ¶¶2.10 or 2.12 of the Stipulation.

30. This Order and the Stipulation (including any of their respective terms or provisions), any of the negotiations, discussions, proceedings connected with them, and any act performed or document executed pursuant to or in furtherance of the Stipulation or the Settlement or this Order, may not be construed as an admission or concession by the Released Defendant Parties of the truth of any of the allegations in the Litigation, or of any liability, fault, or wrongdoing of any kind, and may not be offered or received in evidence (or otherwise used by any person in the Litigation, or in any other action or proceeding, whether civil, criminal, or administrative, in any court, administrative agency, or other tribunal) except in connection with any proceeding to enforce the terms of the Stipulation or this Order. The Released Defendant Parties, Lead Plaintiff, Class Members, and each of their counsel may file the Stipulation, and/or this Order, and/or the Judgment in any action that may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

31. All proceedings in the Litigation are stayed until further order of this Court, except as may be necessary to implement the Settlement or comply with the terms of the Stipulation. Pending final determination of whether the Settlement should be approved, neither the Lead Plaintiff nor any Class Member, either directly, representatively, or in any

other capacity shall commence or prosecute any of the Released Claims against any of the Released Defendant Parties in any action or proceeding in any court or tribunal.

32. The Court reserves the right to alter the time or the date of the Settlement Hearing or to hold the hearing via video or telephone without further notice to Class Members, and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement. The Court may approve the Settlement, with such modifications as may be agreed to by the Settling Parties, if appropriate, without further notice to the Class.

33. If the Settlement fails to become effective as defined in the Stipulation or is terminated, then, in any such event, the Stipulation, including any amendment(s) thereto (except as expressly provided in the Stipulation, and this Order) shall be null and void, of no further force or effect, and without prejudice to any Settling Party, and may not be introduced as evidence or used in any actions or proceedings by any person or entity against the Settling Parties. In any such event, the Settling Parties shall be deemed to have reverted to their respective litigation positions as of November 18, 2022.

IT IS SO ORDERED.

SUMMARY OF THIS NOTICE

Statement of Class Recovery

Pursuant to the Settlement described herein, a \$5 million settlement fund has been established. Based on Lead Plaintiff’s estimate of the number of shares of Tactile publicly traded securities eligible to recover under the Settlement, the average distribution per share under the Plan of Allocation is approximately \$0.53 before deduction of any taxes on the income earned on the Settlement Amount thereof, notice and administration costs, and the attorneys’ fees and expenses as determined by the Court. **Class Members should note, however, that these are only estimates.** A Class Member’s actual recovery will be a proportion of the Net Settlement Fund determined by that claimant’s claims as compared to the total claims of all Class Members who submit acceptable Proofs of Claim. An individual Class Member may receive more or less than this estimated average amount. *See* Plan of Allocation set forth and discussed at pages ___ below for more information on the calculation of your claim.

Statement of Potential Outcome of Case

The Settling Parties disagree on both liability and damages and do not agree on the amount of damages that would be recoverable if the Class prevailed on each claim alleged. Defendants deny that they are liable to the Class and deny that the Class has suffered any

damages. The issues on which the parties disagree are many, but include: (1) whether Defendants engaged in conduct that would give rise to any liability to the Class under the federal securities laws, or any other laws; (2) whether Defendants have valid defenses to any such claims of liability; (3) whether Defendants engaged in the underlying misconduct alleged involving kickback schemes to induce the sales of Tactile's advanced pneumatic compression devices; (4) the amount, if any, by which the prices of Tactile publicly traded securities were allegedly artificially inflated (if at all) during the Class Period; (5) the effect of various market forces or other external factors on the prices of Tactile publicly traded securities at various times during the Class Period; (6) the extent to which the various matters that Lead Plaintiff alleged were materially false or misleading influenced (if at all) the prices of Tactile publicly traded securities at various times during the Class Period; and (7) the extent to which the various allegedly adverse material facts that Lead Plaintiff alleged were omitted influenced (if at all) the prices of Tactile publicly traded securities at various times during the Class Period.

Statement of Attorneys' Fees and Expenses Sought

Since the action's inception, Plaintiff's Counsel have expended considerable time and effort in the prosecution of this Litigation on a wholly contingent basis and have advanced the expenses of the Litigation in the expectation that if they were successful in obtaining a recovery for the Class, they would be paid from such recovery. Lead Counsel will apply to the Court on behalf of all Plaintiff's Counsel for an award of attorneys' fees not to exceed thirty percent (30%) of the Settlement Amount, plus expenses not to exceed \$139,000, plus interest earned on both amounts at the same rate as earned by the Settlement Fund. If the amounts requested are approved by the Court, the average cost per share of Tactile publicly traded securities will be approximately \$0.17.

Please Do Not Call the Court or Defendants with Questions About the Settlement.

Reasons for the Settlement

Lead Plaintiff's principal reason for entering into the Settlement is the benefit to the Class now, without further risk or the delays inherent in continued litigation. The cash benefit under the Settlement must be considered against the significant risk that a smaller recovery – or, indeed, no recovery at all – might be achieved after contested motions, trial,

and likely appeals, a process that could last several years into the future. For the Defendants, who have denied and continue to deny all allegations of liability, fault, or wrongdoing whatsoever, the principal reason for entering into the Settlement is to eliminate the uncertainty, risk, costs, and burdens inherent in any litigation, especially in complex cases such as this Litigation. Defendants have concluded that further conduct of this Litigation could be protracted and distracting.

BASIC INFORMATION

1. Why did I get this Notice package?

This Notice was sent to you pursuant to an Order of a U.S. District Court because you or someone in your family or an investment account for which you serve as custodian may have purchased or otherwise acquired Tactile publicly traded securities during the period from May 7, 2018 through and including June 8, 2020 (the “Class Period”).

This Notice explains the class action lawsuit, the Settlement, Class Members’ legal rights in connection with the Settlement, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the Litigation is the United States District Court for the District of Minnesota, and the case is known as *Mart v. Tactile Systems Technology, Inc., et al.*, No. 0:20-cv-02074-NEB-DTS. The case has been assigned to the Honorable Nancy E. Brasel. The institution representing the Class is the Lead Plaintiff, and the company and individuals it sued and who have now settled are called the Defendants.

2. What is this lawsuit about?

Lead Plaintiff’s Amended Class Action Complaint (the “Complaint”), filed on April 19, 2021, alleges that Defendants violated §§10(b), 20(a), and 20A of the Securities Exchange Act of 1934 (the “Exchange Act”). More specifically, Lead Plaintiff alleges that, throughout the Class Period (May 7, 2018 through June 8, 2020, inclusive), Defendants made materially false and misleading statements, and/or failed to disclose adverse information regarding Tactile’s business and operations, and/or engaged in fraudulent schemes and misconduct. More specifically, Lead Plaintiff alleges that: (i) to induce sales growth of Tactile’s advanced pneumatic compression devices (“PCDs”), Tactile and/or its employees were engaged in illicit sales and marketing activities involving kickback schemes and the submission of false claims to federal healthcare programs in violation of applicable federal statutes; (ii) Tactile’s revenues were in part the product of unlawful conduct and were thus unsustainable; (iii) while Tactile publicly touted a \$4 plus or \$5 plus billion market opportunity for its advanced PCDs, in truth, the total addressable market was at least three times smaller; (iv) Tactile overstated its revenue from the Department of Veterans Affairs and the Center for Medicare & Medicaid Services; and (v) as a consequence, Defendants’ fraudulent misconduct and false and misleading public statements caused Tactile securities

to trade at artificially inflated prices during the Class Period until the true nature of Defendants' alleged wrongdoing was disclosed, and the prices of Tactile securities fell, causing damages to Lead Plaintiff and other Members of the Class. Defendants deny the Complaint's allegations and contend that they did not violate the Exchange Act.

On June 18, 2021, Defendants moved to dismiss the Complaint for failure to state a claim under the Private Securities Litigation Reform Act of 1995 (the "PSLRA") and Rules 9(b) and 12(b)(6) of the Federal Rules of Civil Procedure. Lead Plaintiff opposed the motion on August 18, 2021. Defendants filed their reply in support of the motion to dismiss on September 22, 2021. The Court held oral argument on the motion to dismiss on October 4, 2021, and on March 31, 2022, issued an order granting in part and denying in part the motion to dismiss.

The parties engaged in extensive pre-trial discovery. In response to Lead Plaintiff's requests, Defendants produced nearly 448,000 pages of documents, and in response to Defendants' requests, Lead Plaintiff produced nearly 18,000 pages of documents. The parties also briefed a number of discovery disputes and had begun deposition discovery, with Lead Plaintiff having taken one witness's deposition.

On October 18, 2022, the Settling Parties participated in a confidential mediation with Michelle Yoshida, Esq. of Phillips ADR Enterprises, an experienced mediator. The mediation was preceded by the submission and exchange of mediation statements by the Settling Parties. The Settling Parties engaged in good faith negotiations, but did not reach a settlement. The Settling Parties continued to engage in arm's-length negotiations and ultimately reached an agreement in principle to resolve the Litigation. The agreement included, among other things, the Settling Parties' agreement to settle the Litigation in return for a cash payment of \$5,000,000 for the benefit of the Class, subject to the negotiation of the terms of a Stipulation of Settlement and approval by the Court. The Stipulation (together with the Exhibits thereto) reflects the final and binding agreement, and a compromise of all matters that are in dispute, between the Settling Parties.

Defendants deny each and all of the claims and contentions of wrongdoing alleged by Lead Plaintiff in the Litigation, as well as any and all allegations of fault, liability, wrongdoing, or damages whatsoever arising out of any of the conduct, statements, acts, or omissions that have been alleged, or that could have been alleged, in the Litigation. Defendants contend that they did not make any materially false or misleading statements, that they disclosed all material information required to be disclosed by the federal securities laws, and that any alleged misstatements or omissions were not made with the requisite intent or knowledge of wrongdoing. Defendants further contend that they did not engage in any fraudulent schemes, acts, or misconduct. Defendants also contend that any losses allegedly suffered by Members of the Class were not caused by any allegedly false or misleading statements by them, or allegedly fraudulent schemes, acts, or misconduct by them, and/or were caused by intervening events. Defendants continue to believe that the claims asserted against them in the Litigation are without merit. Defendants also maintain

that they have meritorious defenses to all claims that were raised or could have been raised in the Litigation.

3. Why is there a settlement?

The Court has not decided in favor of Defendants or the Lead Plaintiff. Instead, both sides agreed to the Settlement to avoid the distraction, costs, and risks of further litigation, and Lead Plaintiff agreed to the Settlement in order to ensure that Class Members will receive compensation.

WHO IS IN THE SETTLEMENT

4. How do I know if I am a Member of the Class?

The Court directed that everyone who fits this description is a Class Member: all Persons who purchased or otherwise acquired Tactile publicly traded securities during the period from May 7, 2018 through June 8, 2020, inclusive, and who were damaged thereby, except those Persons and entities that are excluded.

Excluded from the Class are: (i) Defendants; (ii) members of the immediate family of each Defendant; (iii) any Person who was an officer or director of Tactile during the Class Period; (iv) any entity in which any Defendant has or had a controlling interest; (v) any corporate parent and/or affiliate of Tactile; and (vi) the legal representatives, heirs, successors-in-interest, or assigns of any such excluded Person. Also excluded from the Class are those Persons who timely and validly exclude themselves therefrom by submitting a request for exclusion in accordance with the requirements set forth in question 11 below.

Please Note: Receipt of this Notice does not mean that you are a Class Member or that you will be entitled to receive a payment from the Settlement. If you are a Class Member and you wish to be eligible to participate in the distribution of proceeds from the Settlement, you are required to submit the Proof of Claim that is being distributed with this Notice and the required supporting documentation as set forth therein postmarked or submitted online on or before _____, 2023.

5. What if I am still not sure if I am included?

If you are still not sure whether you are included, you can ask for free help. You can contact the Claims Administrator toll-free at 1-888-846-6829, or you can fill out and return the Proof of Claim form enclosed with this Notice package, to see if you qualify.

THE SETTLEMENT BENEFITS – WHAT YOU GET

6. What does the Settlement provide?

The Settlement provides that, in exchange for the release of the Released Claims (defined below) and dismissal of the Litigation, Defendants have agreed to pay (or cause to be paid) \$5 million in cash to be distributed after taxes, tax expenses, notice and claims administration expenses, and approved fees and expenses, *pro rata*, to Class Members who send in a valid Proof of Claim form pursuant to the Court-approved Plan of Allocation. The Plan of Allocation is described in more detail at the end of this Notice.

7. How much will my payment be?

Your share of the Net Settlement Fund will depend on several things, including the total value of Tactile publicly traded securities represented by the valid Proof of Claim forms that Class Members send in, compared to the value of your claim, all as calculated under the Plan of Allocation discussed below.

HOW YOU GET A PAYMENT – SUBMITTING A CLAIM FORM

8. How can I get a payment?

To be eligible to receive a payment from the Settlement, you must submit a Proof of Claim form. A Proof of Claim form is enclosed with this Notice or it may be downloaded at www.TactileSecuritiesSettlement.com. Read the instructions carefully, fill out the Proof of Claim, include all the documents the form asks for, sign it, and **mail or submit it online so that it is postmarked or received no later than _____, 2023**. The Proof of Claim form may be submitted online at www.TactileSecuritiesSettlement.com.

9. When would I get my payment?

The Court will hold a Settlement Hearing on _____, 2023, at _____ .m., to decide whether to approve the Settlement. If the Court approves the Settlement, there might be appeals. It is always uncertain whether appeals can be resolved, and if so, how long it would take to resolve them. It also takes time for all the Proofs of Claim to be processed. Please be patient.

10. What am I giving up to get a payment or to stay in the Class?

Unless you timely and validly exclude yourself, you are staying in the Class, and that means you cannot sue, continue to sue, or be part of any other lawsuit against Defendants or their Related Parties about the Released Claims (as defined below) in this case. It also means that all of the Court's orders will apply to you and legally bind you. If you remain a Class Member, and if the Settlement is approved, you will give up all "Released Claims" (as

defined below), including “Unknown Claims” (as defined below), against the “Released Defendant Parties” (as defined below):

- “Released Claims” means any and all rights, liabilities, suits, debts, obligations, demands, damages, losses, judgment, matters, issues, claims (including “Unknown Claims,” as defined below), and causes of action, of every nature and description whatsoever, in law, equity, or otherwise, whether known or unknown, asserted or unasserted, accrued or unaccrued, fixed or contingent, liquidated or unliquidated, whether arising under federal, state, local, statutory, common, or foreign law, or any other law, rule, or regulation, whether class and/or individual in nature, that Lead Plaintiff or any other Class Member asserted or could have asserted in the Litigation, or could in the future assert in any court or forum based upon, related in any way to, in connection with, or arising from both: (a) the allegations, transactions, acts, facts, matters, occurrences, disclosures, statements, filings, representations, omissions, or events that were or could have been alleged or asserted in the Litigation, and (b) the purchase, acquisition, sale, or disposition of Tactile publicly traded securities purchased or acquired by Lead Plaintiff or any other Class Member during the period between May 7, 2018 and June 8, 2020, inclusive. “Released Claims” does not include: (i) derivative claims; and (ii) claims to enforce the Settlement.
- “Released Defendants’ Claims” means any and all claims and causes of action of every nature and description whatsoever, including both known claims and Unknown Claims, against Lead Plaintiff, Plaintiff’s Counsel or any Class Member that arise out of or relate in any way to the institution, prosecution, or settlement of the claims against Defendants in the Litigation, except for claims relating to the enforcement of the Settlement.
- “Released Defendant Party” or “Released Defendant Parties” mean each and all of the Defendants, Defendants’ Counsel, and any of their Related Parties.
- “Related Parties” means any Person’s former, present or future parents, subsidiaries, divisions, controlling persons, associates, related entities and affiliates, any entity in which a Person has a controlling interest, and each and all of their respective present and former employees, members, partners, principals, officers, directors, controlling shareholders, agents, attorneys, advisors (including financial or investment advisors), accountants, auditors, consultants, underwriters, investment bankers, commercial bankers, entities providing fairness opinions, general or limited partners or partnerships, limited liability companies, members, joint ventures and insurers and reinsurers or co-insurers of each of them; as well as the predecessors, successors, estates, immediate family members, spouses, heirs, executors, trusts, trustees,

administrators, agents, legal or personal representatives, assigns, and assignees of each of them.

- “Unknown Claims” means (a) any and all Released Claims which any of the Releasing Plaintiff Parties do not know or suspect to exist in his, her, or its favor at the time of the release of the Released Defendant Parties, which, if known by him, her, or it, might have affected his, her, or its settlement with and release of the Released Defendant Parties, or might have affected his, her, or its decision(s) with respect to the Settlement, including, but not limited to, whether or not to object to this Settlement; and (b) any and all Released Defendants’ Claims that any of the Released Defendant Parties do not know or suspect to exist in his, her, or its favor at the time of the release of the Lead Plaintiff, the Class and Plaintiff’s Counsel, which, if known by him, her, or it, might have affected his, her, or its settlement and release of Lead Plaintiff, the Class and Plaintiff’s Counsel. With respect to (a) any and all Released Claims against the Released Defendant Parties, and (b) any and all Released Defendants’ Claims against Lead Plaintiff, the Class and Plaintiff’s Counsel, the Settling Parties stipulate and agree that, upon the Effective Date, the Settling Parties shall expressly waive, and each Releasing Plaintiff Party and Released Defendant Party shall be deemed to have, and by operation of the Judgment shall have, expressly waived the provisions, rights, and benefits of California Civil Code §1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

The Settling Parties shall expressly waive, and each Releasing Plaintiff Party and Released Defendant Party shall be deemed to have, and by operation of the Judgment shall have, expressly waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to California Civil Code §1542. The Releasing Plaintiff Parties and Released Defendant Parties acknowledge that they may hereafter discover facts, legal theories or authorities in addition to or different from those which he, she, it or their counsel now knows or believes to be true with respect to the subject matter of the Released Claims or Released Defendants’ Claims, but (a) the Releasing Plaintiff Parties shall expressly fully, finally, and forever waive, compromise, settle, discharge, extinguish and release, and each Releasing Plaintiff Party shall be deemed to have waived, compromised, settled, discharged, extinguished, and released, and upon the Effective Date, and by operation of the Judgment, shall have waived, compromised, settled,

discharged, extinguished, and released, fully, finally, and forever, any and all Released Claims against the Released Defendant Parties, known or unknown, suspected or unsuspected, contingent or non-contingent, accrued or unaccrued, whether or not concealed or hidden, which now exist, or heretofore have existed, or may hereafter exist, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities, and (b) the Released Defendant Parties shall expressly fully, finally, and forever waive, compromise, settle, discharge, extinguish and release, and upon the Effective Date, and by operation of the Judgment, shall have waived, compromised, settled, discharged, extinguished, and released, fully, finally, and forever, any and all Released Defendants' Claims against the Lead Plaintiff, the Class and Plaintiff's Counsel, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. The Settling Parties acknowledge, and the Releasing Plaintiff Parties and Released Defendant Parties shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for and is an essential element of the Settlement of which this release is a part.

EXCLUDING YOURSELF FROM THE CLASS

If you do not want to participate in this Settlement, and you want to keep the right to potentially sue the Defendants and the other Released Defendant Parties, on your own, about the claims being released by the Settlement, then you must take steps to remove yourself from the Settlement. This is called excluding yourself – or is sometimes referred to as “opting out.” If you are requesting exclusion because you want to bring your own lawsuit based on the matters alleged in this Litigation, you may want to consult an attorney and discuss whether any individual claim that you may wish to pursue would be time-barred by the applicable statutes of limitation or repose.

11. How do I get out of the Class and the proposed Settlement?

To exclude yourself from the Class and the Settlement, you must send a letter by First-Class Mail stating that you “request exclusion from the Class in the *Tactile Securities Settlement*.” Your letter must include your purchases or acquisitions of Tactile publicly traded securities during the Class Period, including the dates and the number of shares of Tactile publicly traded securities purchased or acquired. In addition, you must include your

name, address, telephone number, and your signature. You must submit your exclusion request so that it is **postmarked no later than _____, 2023** to:

Tactile Securities Settlement
Claims Administrator
c/o Gilardi & Co. LLC
ATTN: EXCLUSIONS
P.O. Box 5100
Larkspur, CA 94977-5100

If you ask to be excluded, you will not get any payment from the Settlement, and you cannot object to the Settlement. You will not be legally bound by anything that happens in this lawsuit, and you may be able to sue the Defendants and the other Released Defendant Parties about the Released Claims in the future.

12. If I do not exclude myself, can I sue the Defendants and the other Released Defendant Parties for the same thing later?

No. Unless you exclude yourself, you give up any rights you may potentially have to sue the Defendants and the other Released Defendant Parties for any and all Released Claims. If you have a pending lawsuit against the Released Defendant Parties, speak to your lawyer in that case immediately. You must exclude yourself from the Class in this Litigation to continue your own lawsuit. Remember, the exclusion deadline is _____, 2023.

13. If I exclude myself, can I get money from the proposed Settlement?

No. If you exclude yourself, you should not send in a Proof of Claim to ask for any money. But you may have the right to potentially sue or be part of a different lawsuit against the Defendants and the other Released Defendant Parties.

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in this case?

The Court ordered that the law firm of Robbins Geller Rudman & Dowd LLP represents the Class Members, including you. These lawyers are called Lead Counsel. If you want to be represented by your own lawyer, you may hire one at your own expense.

15. How will the lawyers be paid?

Lead Counsel will apply to the Court for an award of attorneys' fees on behalf of all Plaintiff's Counsel not to exceed thirty percent (30%) of the Settlement Amount and for expenses, costs, and charges in an amount not to exceed \$139,000 in connection with prosecuting the Litigation, plus interest on such fees and expenses at the same rate as earned

by the Settlement Fund. Such sums as may be approved by the Court will be paid from the Settlement Fund.

OBJECTING TO THE SETTLEMENT

You can tell the Court that you do not agree with the Settlement or any part of it.

16. How do I tell the Court that I object to the proposed Settlement?

If you are a Class Member, you can comment on or object to the proposed Settlement, the proposed Plan of Allocation, and/or Lead Counsel’s fee and expense application. You can write to the Court setting out your comment or objection. The Court will consider your views. To comment or object, you must send a signed letter saying that you wish to comment on or object to the proposed Settlement in the *Tactile Securities Settlement*. Include your name, address, telephone number, and your signature, identify the date(s), price(s), and number of shares of Tactile publicly traded securities you purchased, acquired and/or sold during the Class Period, and state with specificity your comments or the reasons why you object to the proposed Settlement, Plan of Allocation, and/or fee and expense application, including any legal and evidentiary support for such objection. Any objection must state whether it applies only to the objector, to a specific subset of the Class, or to the entire Class. You must also include copies of documents demonstrating your purchase(s), acquisition(s), and/or sale(s) of Tactile publicly traded securities during the Class Period. Your comments or objection must be filed with the Court and mailed or delivered to each of the following addresses such that it is *received no later than* _____, 2023:

COURT	LEAD COUNSEL	DEFENDANTS’ COUNSEL
CLERK OF THE COURT UNITED STATES DISTRICT COURT DISTRICT OF MINNESOTA Diana E. Murphy United States Courthouse 300 South Fourth Street, Suite 202 Minneapolis, MN 55415	ROBBINS GELLER RUDMAN & DOWD LLP ELLEN GUSIKOFF STEWART 655 West Broadway, Suite 1900 San Diego, CA 92101	FAEGRE DRINKER BIDDLE & REATH LLP MATTHEW KILBY 2200 Wells Fargo Center 90 South Seventh Street Minneapolis, MN 55402

17. What is the difference between objecting and excluding?

Objecting is simply telling the Court that you do not like something about the Settlement. You can object **only** if you stay in the Class.

Excluding yourself is telling the Court that you do not want to recover money from the Settlement and do not want to release any claims you think you may have against

Defendants and their Related Parties. If you exclude yourself, you cannot object to the Settlement because it does not affect you.

THE COURT'S SETTLEMENT HEARING

The Court will hold a hearing to decide whether to approve the proposed Settlement. You may attend and you may ask to speak, but you do not have to.

18. When and where will the Court decide whether to approve the proposed Settlement?

The Court will hold a Settlement Hearing at __:__.m., on _____, 2023, in the Courtroom of the Honorable Nancy E. Brasel, at the United States District Court for the District of Minnesota, Diana E. Murphy United States Courthouse, 300 South Fourth Street, Minneapolis, MN 55415. At the hearing, the Court will consider whether the Settlement and the Plan of Allocation are fair, reasonable, and adequate. If there are objections, the Court will consider them, even if you do not ask to speak at the hearing. The Court will listen to people who have asked to speak at the hearing. The Court may also decide how much to pay to Plaintiff's Counsel. After the Settlement Hearing, the Court will decide whether to approve the Settlement and the Plan of Allocation. We do not know how long these decisions will take. You should be aware that the Court may change the date and time of the Settlement Hearing without another notice being sent to Class Members. If you want to attend the hearing, you should check with Lead Counsel or the Settlement website, www.TactileSecuritiesSettlement.com, beforehand to be sure that the date and/or time has not changed.

In addition, there exists the possibility that the Court may decide to conduct the Settlement Hearing by video or telephonic conference, or otherwise allow Class Members to appear at the hearing by phone or video, without further written notice to the Class. **In order to determine whether the date and time of the Settlement Hearing have changed, or whether Class Members must or may participate by phone or video, it is important that you monitor the Court's docket and the Settlement website, www.TactileSecuritiesSettlement.com, before making any plans to attend the Settlement Hearing. Any and all updates regarding the Settlement Hearing, including any changes to the date or time of the hearing or updates regarding in-person or remote appearances at the hearing, will be posted to the Settlement website, www.TactileSecuritiesSettlement.com. Also, if the Court requires or allows Class Members to participate in the Settlement Hearing by telephone or video, to access information will be posted to the Settlement website, www.TactileSecuritiesSettlement.com.**

19. Do I have to come to the hearing?

No. Lead Counsel will answer questions the Court may have. But, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider

it. You may also pay your own lawyer to attend, but it is not necessary. Class Members do not need to appear at the hearing or take any other action to indicate their approval.

20. May I speak at the hearing?

If you object to the Settlement, the Plan of Allocation, and/or the fee and expense application, you may ask the Court for permission to speak at the Settlement Hearing. To do so, you must include with your objection (*see* question 16 above) a statement saying that it is your “Notice of Intention to Appear in the *Tactile Securities Settlement*.” Persons who intend to object to the Settlement, the Plan of Allocation, and/or any attorneys’ fees and expenses to be awarded to Lead Counsel and desire to present evidence at the Settlement Hearing must include in their written objections the identity of any witnesses they may call to testify and exhibits they intend to introduce into evidence at the Settlement Hearing. Your notice of intention to appear must be *received no later than* _____, 2023, and addressed to the Clerk of the Court, Lead Counsel, and Defendants’ Counsel, at the addresses listed above in question 16.

You cannot speak at the hearing if you exclude yourself from the Class.

IF YOU DO NOTHING

21. What happens if I do nothing?

If you do nothing, you will not receive any money from this Settlement. In addition, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants and their Related Parties about the Released Claims in this case.

PLAN OF ALLOCATION OF NET SETTLEMENT FUND AMONG CLASS MEMBERS

The Settlement Amount of \$5 million and any interest earned thereon is the “Settlement Fund.” The Settlement Fund, less all taxes, tax expenses, notice and claims administration expenses, and approved fees and expenses (the “Net Settlement Fund”) shall be distributed to Class Members who submit timely and valid Proof of Claim forms to the Claims Administrator (“Authorized Claimants”). The Plan of Allocation provides that you will be eligible to participate in the distribution of the Net Settlement Fund only if you have an overall net loss on all of your transactions in Tactile publicly traded securities during the Class Period.

The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among Class Members based on their respective alleged economic losses resulting from the securities law violations alleged in the Litigation.

The Claims Administrator shall determine each Class Member’s share of the Net Settlement Fund based upon the recognized loss formula (the “Recognized Loss”) described below. A Recognized Loss will be calculated for each share of Tactile publicly traded securities purchased or acquired during the Class Period. The calculation of Recognized Loss will depend upon several factors, including when the Tactile publicly traded securities were purchased or acquired and in what amounts, whether the shares were sold, and, if so, when they were sold and for what amounts.

The Recognized Loss is not intended to estimate the amount a Class Member may have been able to recover after a trial, nor to estimate the amount you will receive. It is a formula for allocating the Net Settlement Fund among all Authorized Claimants. The allocation below is based on the following inflation per share amounts for Class Period purchases, acquisitions, and sales as well as the statutory PSLRA 90-day look-back amount of \$38.85 per share.² Furthermore, if any of the formulas set forth below yield an amount less than \$0.00, the claim per share shall be \$0.00.

² Under §21(D)(e)(1) of the Exchange Act, “in any private action arising under this Act in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market.” Consistent with the requirements of the statute, Recognized Loss Amounts for Tactile publicly traded securities are reduced to an appropriate extent by taking into account the closing prices of Tactile publicly traded securities during the 90-day look-back period. The mean (average) closing price for Tactile common stock during this 90-day look-back period was \$38.85 per share as shown in Table A.

The Plan of Allocation was developed in consultation with Lead Plaintiff’s damages expert. In developing the Plan of Allocation, Lead Plaintiff’s damages expert calculated the estimated amount of alleged artificial inflation in the per share prices of Tactile publicly traded securities that was allegedly caused by Defendants’ alleged materially false and misleading statements and omissions. In calculating the estimated artificial inflation allegedly caused by those misrepresentations and omissions, Lead Plaintiff’s damages expert considered the price change in Tactile publicly traded securities in reaction to the public disclosure that allegedly corrected the alleged misrepresentation of omissions, adjusting the price change for factors that were attributable to market forces, and for non-fraud relating Company-specific information.

In order to have recoverable damages under the federal securities laws, disclosures of the alleged misrepresentations and/or omissions must be the cause of the decline in the price of the security. In this Litigation, Lead Plaintiff alleges that corrective information allegedly impacting the price of Tactile publicly traded securities (the “corrective disclosure”) was released to the market on March 22, 2019 and June 8, 2020. In order to have a “Recognized Loss Amount” under the Plan of Allocation, shares of Tactile publicly traded securities must have been purchased or acquired during the Class Period and held through the issuance of a corrective disclosure.

A “claim” will be calculated as follows:

The allocation below is based on the following inflation per share amounts for Class Period share purchases and sales as well as the statutory PSLRA 90 day-look back amount of \$38.85. Furthermore, if any of the formulas set forth below yield an amount less than \$0.00, the claim per share is zero.

Inflation Period	Inflation per share
May 7, 2018 – March 20, 2019	\$9.16
March 21, 2019	\$8.85
March 22, 2019 – June 5, 2020	\$5.56
June 8, 2020	\$0.00

1. For Tactile shares *purchased, or acquired, on or between May 7, 2018 through and including June 5, 2020*, the claim per share shall be as follows:

- a) If sold prior to March 21, 2019, the claim per share is \$0.00.
- b) If sold on or between March 21, 2019 through June 5, 2020, the claim per share shall be the lesser of: (i) the inflation per share at the time of purchase less the inflation per share at the time of sale; and (ii) the difference between the purchase price and the selling price.

c) If retained at the end of June 5, 2020 and sold on or before September 4, 2020, the claim per share shall be the least of: (i) the inflation per share at the time of purchase; (ii) the difference between the purchase price and the selling price; and (iii) the difference between the purchase price and the average closing price up to the date of sale as set forth in Table A below.

For Class Members who held Tactile publicly traded securities at the beginning of the Class Period or made multiple purchases, acquisitions or sales during the Class Period, the

First-In, First-Out (“FIFO”) method will be applied to such holdings, purchases, acquisitions, and sales for purposes of calculating a claim. Under the FIFO method, sales of Tactile publicly traded securities during the Class Period will be matched, in chronological order, first against Tactile publicly traded securities held at the beginning of the Class Period. The remaining sales of Tactile publicly traded securities during the Class Period will then be matched, in chronological order, against Tactile publicly traded securities purchased or acquired during the Class Period.

A Class Member will be eligible to receive a distribution from the Net Settlement Fund only if a Class Member had a net overall loss, after all profits from transactions in all Tactile publicly traded securities described above during the Class Period are subtracted from all losses. However, the proceeds from sales of Tactile publicly traded securities that have been matched against Tactile publicly traded securities held at the beginning of the Class Period will not be used in the calculation of such net loss. No distributions will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

A purchase, acquisition, or sale of Tactile publicly traded securities shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date. All purchase, acquisition, and sale prices shall exclude any fees and commissions. The receipt or grant by gift, devise, or operation of law of Tactile publicly traded securities during the Class Period shall not be deemed a purchase, acquisition, or sale of Tactile publicly traded securities for the calculation of a claimant’s recognized claim nor shall it be deemed an assignment of any claim relating to the purchase or acquisition of such share unless specifically provided in the instrument of gift or assignment. The receipt of Tactile publicly traded securities during the Class Period in exchange for securities of any other corporation or entity shall not be deemed a purchase or acquisition of Tactile publicly traded securities.

With respect to Tactile publicly traded securities purchased or sold through the exercise of an option, the purchase/sale of the Tactile publicly traded securities is the exercise date of the option and the purchase/sale price of the Tactile publicly traded securities is the exercise price of the option. Any recognized claim arising from the purchase of Tactile publicly traded securities acquired during the Class Period through the exercise of an option on Tactile publicly traded securities shall be computed as provided for other purchases of Tactile publicly traded securities in the Plan of Allocation.

Distributions will be made to Authorized Claimants after all claims have been processed, after the Court has finally approved the Settlement, and after any appeals are resolved. If there is any balance remaining in the Net Settlement Fund after at least six (6) months from the initial date of distribution of the Net Settlement Fund (whether by reason of tax refunds, uncashed checks, or otherwise), the Claims Administrator shall, if feasible, reallocate such balance among Authorized Claimants in an equitable and economic fashion. These redistributions shall be repeated until the balance remaining in the Net Settlement Fund is no longer economically feasible to distribute to Class Members. Thereafter, any balance that still remains in the Net Settlement Fund shall be donated to any appropriate non-sectarian, non-profit charitable organization(s) serving the public interest.

Please contact the Claims Administrator or Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim. If you are

dissatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Class Members and the claims administration process, to decide the issue by submitting a written request.

The Court has reserved jurisdiction to allow, disallow, or adjust the claim of any Class Member on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. Defendants, their respective counsel, and all other Released Defendant Parties will have no responsibility or liability whatsoever for the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation, or the payment of any claim. No Person shall have any claim against Lead Plaintiff, Plaintiff's Counsel, the Claims Administrator, or other Person designated by Lead Counsel, Defendants, or Defendants' Counsel based on distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court. All Class Members who fail to complete and submit a valid and timely Proof of Claim shall be barred from participating in distributions from the Net Settlement Fund (unless otherwise ordered by the Court), but otherwise shall be bound by all of the terms of the Stipulation, including the terms of any judgment entered and the releases given.

SPECIAL NOTICE TO SECURITIES BROKERS AND OTHER NOMINEES

If you purchased or acquired Tactile publicly traded securities during the Class Period for the beneficial interest of an individual or organization other than yourself, the Court has directed that, **WITHIN SEVEN (7) DAYS OF YOUR RECEIPT OF THIS NOTICE**, you either (a) provide to the Claims Administrator the name and last known address of each person or organization for whom or which you purchased or acquired such Tactile publicly traded securities during such time period, or (b) request additional copies of this Notice and the Proof of Claim form, which will be provided to you free of charge, and within seven (7) days mail the Notice and Proof of Claim form directly to the beneficial owners of the Tactile publicly traded securities referred to herein. If you fail to submit a properly addressed (as set forth in paragraph 3 below) Claim Form, postmarked or received by the date shown below, your claim may be rejected and you may be precluded from any recovery from the Net Settlement Fund created in connection with the proposed settlement of the Litigation (the “Settlement”).¹

2. Submission of this Claim Form, however, does not assure that you will share in the proceeds of the Settlement.

3. YOU MUST MAIL OR SUBMIT ONLINE YOUR COMPLETED AND SIGNED CLAIM FORM, ACCOMPANIED BY COPIES OF THE DOCUMENTS REQUESTED HEREIN, NO LATER THAN _____, 2023, TO THE COURT-APPOINTED CLAIMS ADMINISTRATOR IN THIS CASE, AT THE FOLLOWING ADDRESS:

¹ This Proof of Claim and Release incorporates by reference the definitions in the Stipulation of Settlement (“Stipulation”), which can be obtained at www.TactileSecuritiesSettlement.com.

Do not mail or deliver your Claim Form to the Court, the parties to the Litigation, or their counsel. Submit your Claim Form only to the Claims Administrator at the address set forth above. If you are NOT a Member of the Class (as defined below and in the Notice of Pendency and Proposed Settlement of Class Action (the “Notice”)), DO NOT submit a Claim Form.

4. If you are a Member of the Class and you do not request exclusion, you will be bound by the terms of any judgment entered in the Litigation, including the releases provided therein, WHETHER OR NOT YOU SUBMIT A CLAIM FORM.

5. It is important that you completely read and understand the Notice that accompanies this Claim Form, including the Plan of Allocation of the Net Settlement Fund set forth in the Notice. The Notice describes the proposed Settlement, how the Class Members are affected by the Settlement, and the manner in which the Net Settlement Fund will be distributed if the Settlement and Plan of Allocation are approved by the Court. The Notice also contains the definitions of many of the defined terms (which are indicated by initial capital letters) used in this Claim Form. By signing and submitting this Claim Form, you will be certifying that you have read and that you understand the Notice, including the terms of the releases described therein and provided for herein.

II. CLAIMANT IDENTIFICATION

You are a Member of the Class if you purchased or otherwise acquired Tactile publicly traded securities during the period from May 7, 2018 through June 8, 2020, inclusive (the “Class Period”), and were damaged thereby. Excluded from the Class are: (i) Defendants; (ii) members of the immediate family of each Defendant; (iii) any Person who

was an officer or director of Tactile during the Class Period; (iv) any entity in which any Defendant has or had a controlling interest; (v) any corporate parent and/or affiliate of Tactile; and (vi) the legal representatives, heirs, successors-in-interest, or assigns of any such excluded Person. Also excluded from the Class is any Person who would otherwise be a Member of the Class but who validly and timely requests exclusion in accordance with the requirements set by the Court.

Use Part I of this form entitled “Claimant Identification” to identify each purchaser or acquirer of record (“nominee”), if different from the beneficial purchaser or acquirer of the Tactile publicly traded securities which forms the basis of this claim. **THIS CLAIM MUST BE FILED BY THE ACTUAL BENEFICIAL PURCHASER(S) OR ACQUIRER(S) OR THE LEGAL REPRESENTATIVE OF SUCH PURCHASER(S) OR ACQUIRER(S) OF THE TACTILE PUBLICLY TRADED SECURITIES UPON WHICH THIS CLAIM IS BASED.**

All joint purchasers or acquirers must sign this claim. Executors, administrators, guardians, conservators, and trustees must complete and sign this claim on behalf of persons represented by them and their authority must accompany this claim and their titles or capacities must be stated. The last four digits of the Social Security number (or full taxpayer identification number) and telephone number of the beneficial owner may be used in verifying the claim. Failure to provide the foregoing information could delay verification of your claim or result in rejection of the claim.

If you are acting in a representative capacity on behalf of a Member of the Class (for example, as an executor, administrator, trustee, or other representative), you must submit

evidence of your current authority to act on behalf of that Member of the Class. Such evidence would include, for example, letters testamentary, letters of administration, or a copy of the trust documents.

One claim should be submitted for each separate legal entity. Separate Claim Forms should be submitted for each separate legal entity (*e.g.*, a claim from joint owners should not include separate transactions of just one of the joint owners, and an individual should not combine his or her IRA transactions with transactions made solely in the individual's name). Conversely, a single Claim Form should be submitted on behalf of one legal entity including all transactions made by that entity on one Claim Form, no matter how many separate accounts that entity has (*e.g.*, a corporation with multiple brokerage accounts should include all transactions made in all accounts on one Claim Form).

NOTICE REGARDING ELECTRONIC FILES: Certain claimants with large numbers of transactions may request to, or may be requested to, submit information regarding their transactions in electronic files. All claimants **MUST** submit a manually signed paper Claim Form listing all their transactions whether or not they also submit electronic copies. If you wish to file your claim electronically, you must contact the Claims Administrator at edata@gilardi.com to obtain the required file layout. No electronic files will be considered to have been properly submitted unless the Claims Administrator issues to the claimant a written acknowledgement of receipt and acceptance of electronically submitted data.

III. CLAIM FORM

Use Part II of this form “Schedule of Transactions in Tactile Publicly Traded Securities,” to supply all required details of your transaction(s) in Tactile publicly traded securities. If you need more space or additional schedules, attach separate sheets giving all of the required information in substantially the same form. Sign and print or type your name on each additional sheet.

On the schedules, provide all of the requested information with respect to *all* of your purchases or acquisitions and *all* of your sales of Tactile publicly traded securities between May 7, 2018 through September 4, 2020, inclusive, whether such transactions resulted in a profit or a loss. You must also provide all of the requested information with respect to *all* of the shares of Tactile publicly traded securities you held at the close of trading on May 6, 2018, June 8, 2020, and September 4, 2020. Failure to report all such transactions may result in the rejection of your claim.

List these transactions separately and in chronological order, by trade date, beginning with the earliest. You must accurately provide the month, day, and year of each transaction you list.

For short-sale transactions, the date of covering a “short sale” is deemed to be the date of purchase of Tactile publicly traded securities, and the date of a “short sale” is deemed to be the date of sale of Tactile publicly traded securities.

For each transaction, you must provide, together with this Claim Form, copies of stockbroker confirmation slips, stockbroker statements, or other documents adequately evidencing your transactions in Tactile publicly traded securities. If any such documents are

not in your possession, please obtain a copy or equivalent documents from your broker because these documents are necessary to prove and process your claim. Failure to provide this documentation could delay verification of your claim or result in rejection of your claim.

PLEASE NOTE: As set forth in the Plan of Allocation, each Authorized Claimant shall receive his, her, or its *pro rata* share of the Net Settlement Fund. If the prorated payment to any Authorized Claimant calculates to less than \$10.00, it will not be included in the calculation and no distribution will be made to that Authorized Claimant.

I (We) have not submitted any other claim in connection with the purchase or acquisition of Tactile publicly traded securities during the Class Period and know of no other person having done so on my (our) behalf.

V. RELEASES

1. I (We) hereby acknowledge full and complete satisfaction of, and do hereby fully, finally, and forever waive, compromise, settle, discharge, extinguish, and release from the Released Claims each and all of the Released Defendant Parties.

2. “Released Defendant Party” or “Released Defendant Parties” mean each and all of Defendants, Defendants’ Counsel, and any of their Related Parties.

3. “Released Claims” means any and all rights, liabilities, suits, debts, obligations, demands, damages, losses, judgment, matters, issues, claims (including “Unknown Claims,” as defined below), and causes of action, of every nature and description whatsoever, in law, equity, or otherwise, whether known or unknown, asserted or unasserted, accrued or unaccrued, fixed or contingent, liquidated or unliquidated, whether arising under federal, state, local, statutory, common, or foreign law, or any other law, rule, or regulation, whether class and/or individual in nature, that Lead Plaintiff or any other Class Member asserted or could have asserted in the Litigation, or could in the future assert in any court or

forum based upon, related in any way to, in connection with, or arising from both: (a) the allegations, transactions, acts, facts, matters, occurrences, disclosures, statements, filings, representations, omissions, or events that were or could have been alleged or asserted in the Litigation, and (b) the purchase, acquisition, sale, or disposition of Tactile publicly traded securities purchased or acquired by Lead Plaintiff or any other Class Member during the Class Period. “Released Claims” does not include: (i) derivative claims; and (ii) claims to enforce the Settlement.

4. “Released Defendants’ Claims” means any and all claims and causes of action of every nature and description whatsoever, including both known claims and Unknown Claims, against Lead Plaintiff, Plaintiff’s Counsel or any Class Member that arise out of or relate in any way to the institution, prosecution, or settlement of the claims against Defendants in the Litigation, except for claims relating to the enforcement of the Settlement.

5. “Unknown Claims” means (a) any and all Released Claims which any of the Releasing Plaintiff Parties do not know or suspect to exist in his, her, or its favor at the time of the release of the Released Defendant Parties, which, if known by him, her, or it, might have affected his, her, or its settlement with and release of the Released Defendant Parties, or might have affected his, her, or its decision(s) with respect to the Settlement, including, but not limited to, whether or not to object to this Settlement; and (b) any and all Released Defendants’ Claims that any of the Released Defendant Parties do not know or suspect to exist in his, her, or its favor at the time of the release of Lead Plaintiff, the Class and Plaintiff’s Counsel, which, if known by him, her, or it, might have affected his, her, or its settlement and release of Lead Plaintiff, the Class and Plaintiff’s Counsel. With respect to

(a) any and all Released Claims against the Released Defendant Parties, and (b) any and all Released Defendants' Claims against Lead Plaintiff, the Class and Plaintiff's Counsel, the Settling Parties stipulate and agree that, upon the Effective Date, the Settling Parties shall expressly waive, and each Releasing Plaintiff Party and Released Defendant Party shall be deemed to have, and by operation of the Judgment shall have, expressly waived the provisions, rights, and benefits of California Civil Code §1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

The Settling Parties shall expressly waive, and each Releasing Plaintiff Party and Released Defendant Party shall be deemed to have, and by operation of the Judgment shall have, expressly waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to California Civil Code §1542. The Releasing Plaintiff Parties and Released Defendant Parties acknowledge that they may hereafter discover facts, legal theories or authorities in addition to or different from those which he, she, it or their counsel now knows or believes to be true with respect to the subject matter of the Released Claims or Released Defendants' Claims, but (a) the Releasing Plaintiff Parties shall expressly fully, finally, and forever waive, compromise, settle, discharge, extinguish and release, and each Releasing Plaintiff Party shall be deemed to have waived, compromised, settled, discharged, extinguished, and released, and, upon the Effective Date, and by operation of the Judgment, shall have waived, compromised, settled, discharged, extinguished, and released, fully,

finally, and forever, any and all Released Claims against the Released Defendant Parties, known or unknown, suspected or unsuspected, contingent or non-contingent, accrued or unaccrued, whether or not concealed or hidden, which now exist, or heretofore have existed, or may hereafter exist, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities, and (b) the Released Defendant Parties shall expressly fully, finally, and forever waive, compromise, settle, discharge, extinguish and release, and, upon the Effective Date, and by operation of the Judgment, shall have waived, compromised, settled, discharged, extinguished, and released, fully, finally, and forever, any and all Released Defendants' Claims against Lead Plaintiff, the Class and Plaintiff's Counsel, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. The Settling Parties acknowledge, and the Releasing Plaintiff Parties and Released Defendant Parties shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for and is an essential element of the Settlement of which this release is a part.

6. These releases shall be of no force or effect unless and until the Court approves the Stipulation and the Settlement becomes effective on the Effective Date.

CLASS ACTION

[PROPOSED] FINAL JUDGMENT AND
ORDER OF DISMISSAL WITH
PREJUDICE

EXHIBIT B

This matter came before the Court pursuant to the Order Granting Preliminary Approval Pursuant to Fed. R. Civ. P. 23(e)(1) and Permitting Notice to the Class (“Notice Order”) dated _____, 2023, on the application of the parties for approval of the Settlement set forth in the Stipulation of Settlement dated February 28, 2023 (the “Stipulation”). Due and adequate notice having been given to the Class as required in said Notice Order, and the Court having considered all papers filed and proceedings had herein and otherwise being fully informed in the premises and good cause appearing therefore, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED that:

1. This Judgment incorporates by reference the definitions in the Stipulation, and all capitalized terms used herein shall have the same meanings as set forth in the Stipulation, unless otherwise set forth herein.

2. This Court has jurisdiction over the subject matter of the Litigation and over all parties to the Litigation, including all Members of the Class.

3. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court hereby affirms its determination in the Notice Order and finally certifies, solely for purposes of effectuating the Settlement, a Class defined as: all Persons who purchased or otherwise acquired Tactile publicly traded securities during the period from May 7, 2018 through June 8, 2020, inclusive (the “Class Period”), and who were damaged thereby. Excluded from the Class are: (i) Defendants; (ii) members of the immediate family of each Defendant; (iii) any Person who was an officer or director of Tactile during the Class Period; (iv) any entity in which any Defendant has or had a controlling interest; (v) any

corporate parent and/or affiliate of Tactile; and (vi) the legal representatives, heirs, successors-in-interest, or assigns of any such excluded Person.

4. Also excluded from the Class is any Person who would otherwise be a Member of the Class but who validly and timely requested exclusion in accordance with the requirements set by the Court, as identified in Exhibit 1 hereto.

5. Solely for purposes of the Settlement of this Litigation, the Court finds that: (a) the Members of the Class are so numerous that joinder of all Class Members in the Class is impracticable; (b) there are questions of law and fact common to the Class which predominate over any individual question; (c) the claims of Lead Plaintiff are typical of the claims of the Class; (d) Lead Plaintiff and its counsel have fairly and adequately represented and protected the Members of the Class; and (e) a class action is superior to other available methods for the fair and efficient adjudication of the controversy, considering (i) the interests of the Members of the Class individually controlling the prosecution with separate actions; (ii) the extent and nature of any litigation concerning the controversy already commenced by Members of the Class; (iii) the desirability or undesirability of concentrating the litigation of these claims in this particular forum; and (iv) the difficulties likely to be encountered in the management of the class action.

6. Pursuant to Federal Rule of Civil Procedure 23, the Court hereby fully and finally approves the Settlement set forth in the Stipulation in all respects (including, without limitation, the amount of the Settlement, the Releases provided for therein, and the

dismissal with prejudice of the claims asserted against Defendants in the Litigation) and finds that:

(a) said Stipulation and the Settlement contained therein, are, in all respects, fair, reasonable, and adequate and in the best interest of the Class;

(b) Lead Plaintiff and Plaintiff's Counsel have adequately represented the Class;

(c) there was no collusion in connection with the Stipulation;

(d) the Settlement was the product of informed, arm's-length negotiations among competent, able counsel;

(e) the relief provided for the Class is adequate, having taken into account (i) the costs, risks, and delay of trial and appeal; (ii) the effectiveness of any proposed method of distributing relief to the Class, including the method of processing Class Members' Claims; (iii) the terms of any proposed award of attorneys' fees, including the timing of payment; and (iv) any agreement required to be identified under Federal Rule of Civil Procedure 23(e)(2);

(f) the proposed Plan of Allocation treats Class Members equitably relative to each other; and

(g) the record is sufficiently developed and complete to have enabled Lead Plaintiff and Defendants to have adequately evaluated and considered their positions.

7. Accordingly, the Court authorizes and directs implementation and performance of all the terms and provisions of the Stipulation, as well as the terms and

provisions hereof. Except as to any individual claim of those Persons (identified in Exhibit 1 attached hereto) who have validly and timely requested exclusion from the Class, the Court hereby dismisses the Litigation and all claims asserted therein with prejudice.

8. Without further action by anyone, upon the Effective Date, and as provided in the Stipulation, Lead Plaintiff shall, and each of the Class Members, on behalf of themselves, their successors and assigns, shall be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever waived, released, relinquished, discharged, and dismissed with prejudice all Released Claims (including Unknown Claims) against the Released Defendant Parties, whether or not such Class Member executes and delivers the Proof of Claim and Release form or shares in the Net Settlement Fund. Claims to enforce the terms of the Stipulation or any order of the Court in the Litigation are not released. Nothing contained herein shall release or bar any Releasing Plaintiff Party or Released Defendant Parties from bringing any action or claim to enforce the terms of the Stipulation or this Final Judgment.

9. Upon the Effective Date, and as provided in the Stipulation, all Class Members and anyone claiming through or on behalf of any of them, will be forever barred and enjoined from asserting, commencing, instituting, prosecuting, continuing to prosecute or maintaining any action or other proceeding in any court of law or equity, arbitration tribunal, or administrative forum, asserting any of the Released Claims against any of the Released Defendant Parties.

10. Without further action by anyone, upon the Effective Date, and as provided in the Stipulation, each of the Released Defendant Parties shall be deemed to have, and by operation of this Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Defendants' Claims (including Unknown Claims) against the Lead Plaintiff, each and all of the Class Members, and Plaintiff's Counsel. Claims to enforce the terms of the Stipulation or any order of the Court in the Litigation are not released.

11. The Notice of Pendency and Proposed Settlement of Class Action given to the Class was the best notice practicable under the circumstances, including the individual notice to all Members of the Class who could be identified through reasonable effort. Said notice provided the best notice practicable under the circumstances of those proceedings and of the matters set forth therein, including the proposed Settlement set forth in the Stipulation, to all Persons entitled to such notice, and said notice fully satisfied the requirements of Federal Rule of Civil Procedure 23 and the requirements of due process. No Class Member is relieved from the terms of the Settlement, including the releases provided for therein, based upon the contention or proof that such Class Member failed to receive actual or adequate notice. A full opportunity has been offered to the Class Members to object to the proposed Settlement and to participate in the hearing thereon. The Court further finds that the notice provisions of the Class Action Fairness Act, 28 U.S.C. §1715, were fully discharged and that the statutory waiting period has elapsed. Thus, the Court hereby determines that all Members of the Class are bound by this Judgment.

12. Any Plan of Allocation submitted by Lead Counsel or any order entered regarding any attorneys' fee and expense application shall in no way disturb or affect this Judgment and shall be considered separate from this Judgment. Separate orders shall be entered regarding approval of the Plan of Allocation and Lead Counsel's application for an award of attorneys' fees and expenses.

13. Neither this Judgment, the Stipulation nor the Settlement contained therein, nor any act performed or document executed pursuant to or in furtherance of the Stipulation or the Settlement: (a) is, or may be deemed to be, or may be used as an admission of, or evidence of, the validity of any Released Claim, or of any wrongdoing or liability of the Released Defendant Parties or their respective Related Parties, or (b) is, or may be deemed to be, or may be used as an admission of, or evidence of, any fault or omission of any of the Released Defendant Parties or their respective Related Parties in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. The Released Defendant Parties and/or their respective Related Parties may file the Stipulation and/or this Judgment from this Litigation in any other action that may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any theory of claim preclusion or issue preclusion or similar defense or counterclaim.

14. The Court finds that Defendants have satisfied their financial obligations under the Stipulation by paying or causing to be paid \$5,000,000.00 to the Settlement Fund, in accordance with ¶2.2 of the Stipulation.

15. Without affecting the finality of this Judgment in any way, this Court hereby retains continuing jurisdiction over: (a) implementation of this Settlement and any award or distribution of the Settlement Fund, including interest earned thereon; (b) disposition of the Settlement Fund; (c) hearing and determining applications for attorneys' fees, expenses, and interest in the Litigation; and (d) all parties herein for the purpose of construing, enforcing, and administering the Stipulation.

16. The Court finds and concludes that during the course of the Litigation, the Settling Parties and their respective counsel at all times complied with the requirements of Federal Rule of Civil Procedure 11 in connection with the institution, prosecution, defense, and settlement of the Litigation.

17. The terms of the Stipulation and of this Judgment shall be forever binding on Defendants, Lead Plaintiff, and all other Class Members (regardless of whether or not any individual Class Member submits a Proof of Claim and Release form or seeks or obtains a distribution from the Net Settlement Fund), as well as their respective successors and assigns.

18. In the event that the Settlement does not become effective in accordance with the terms of the Stipulation, or the Effective Date does not occur, or in the event that the Settlement Fund, or any portion thereof, is returned to the Defendants or their insurers, then this Judgment shall be rendered null and void to the extent provided by and in accordance with the Stipulation and shall be vacated and, in such event, all orders entered and releases delivered in connection herewith shall be null and void to the extent provided by and in

accordance with the Stipulation, and the Settling Parties shall revert to their respective positions in the Litigation as of November 18, 2022, as provided in the Stipulation.

19. Without further order of the Court, the Settling Parties may agree to reasonable extensions of time to carry out any of the provisions of the Stipulation. The Settling Parties are hereby authorized to agree to and adopt such amendments or modifications of the Stipulation or any exhibits attached thereto to effectuate the Settlement that: (a) are not materially inconsistent with this Judgment; and (b) do not materially limit the rights of Class Members in connection with the Settlement.

20. This Litigation and all Released Claims are dismissed with prejudice. The Settling Parties are to bear their own costs, except as otherwise agreed to in writing by the Settling Parties or as otherwise provided in the Stipulation or this Judgment.

21. The Court directs immediate entry of this Judgment by the Clerk of the Court.

IT IS SO ORDERED.
